

Ohio Revised Code

Section 3313.03 Redistricting into subdistricts.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

Within three months after the official announcement of the result of each successive federal census, the board of education of each city school district which, according to such census, has a population of fifty thousand or more but less than one hundred fifty thousand persons and which elected to have subdistricts shall redistrict such districts into subdistricts. Such subdistricts shall be bounded as far as practicable by corporation lines, streets, alleys, avenues, public grounds, canals, watercourses, ward boundaries, voting precinct boundaries, or present school district boundaries, shall be as nearly equal in population as possible, and be composed of adjacent and as compact territory as practicable. If the board of any such district fails to district or redistrict such city school district, then the superintendent of public instruction shall forthwith district or redistrict such city school district, subject to sections 3313.01 to 3313.13, inclusive, of the Revised Code.
