

Ohio Revised Code

Section 3313.489 Determining whether district may be unable to operate during entire school year.

Effective: September 29, 2005

Legislation: House Bill 66 - 126th General Assembly

(A) The superintendent of public instruction shall examine each five-year projection of revenues and expenditures submitted under section 5705.391 of the Revised Code and shall determine whether the information contained therein, together with any other relevant information, indicates that the district may be financially unable to operate its instructional program on all days set forth in its adopted school calendars and pay all obligated expenses during the current fiscal year. If a board of education has not adopted a school calendar for the school year beginning on the first day of July of the current fiscal year at the time an examination is required under this division, the superintendent shall examine the five-year projection and determine whether the district may be financially unable to pay all obligated expenses and operate its instructional program for the number of days on which instruction was held in the preceding fiscal year.

(B) If the superintendent of public instruction determines pursuant to division (A) of this section that a school district may be financially unable to operate its instructional program on all days required by such division and pay all obligated expenses during the current fiscal year, the superintendent shall provide written notification of such determination to the president of the district's board of education and the auditor of state.

(C) This section does not apply to a school district declared to be under a fiscal emergency pursuant to division (B) of section 3316.03 of the Revised Code.
