The rules may prescribe the granting of an honors diploma recognizing technical expertise for a career-technical student. In any case, the rules shall designate two or more criteria for the granting of each type of honors diploma the board establishes under this division and the number of such criteria that must be met for the granting of that type of diploma. The number of such criteria for any type of honors diploma shall be at least one less than the total number of criteria designated for that type and no one or more particular criteria shall be required of all persons who are to be granted that type of diploma.

The diploma granted by the correctional institution shall be signed by the director of the institution, and by the person serving as

principal of the institution's high school and shall bear the date of issue.

(F) Persons who are not residents of Ohio but who are inmates of correctional institutions operated by the state or any political subdivision thereof, and who are eligible under state board of education minimum standards to receive a high school diploma based in whole or in part on credits earned while an inmate of the correctional institution, shall be granted a diploma by the correctional institution offering the program in which the credits were earned. The diploma granted by the correctional institution shall be signed by the director of the institution and by the person serving as principal of the institution's high school and shall bear the date of issue.

(G) The state board of education shall provide by rule for the administration of the assessments required by sections 3301.0710 and 3301.0712 of the Revised Code to inmates of correctional institutions.

- (1) The person is not a citizen of the United States;
- (2) The person is not a permanent resident of the United States;
- (3) The person indicates no intention to reside in the United States after the completion of high school.

(I) Notwithstanding division (D) of section 3311.19 and division (D) of section 3311.52 of the Revised Code, this section and section 3313.611 of the Revised Code do not apply to the board of education of any joint vocational school district or any cooperative education school district established pursuant to divisions (A) to (C) of section 3311.52 of the Revised Code.

(J) Upon receipt of a notice under division (D) of section 3325.08 or division (D) of section 3328.25 of the Revised Code that a student has received a diploma under either section, the board of education receiving the notice may grant a high school diploma under this section to the student, except that such board shall grant the student a diploma if the student meets the graduation requirements that the student would otherwise have had to meet to receive a diploma from the district. The diploma granted under this section shall be of the same type the notice indicates the student received under section 3325.08 or 3328.25 of the Revised Code.

(K) As used in this division, "limited English proficient student" has the same meaning as in division (C)(3) of section 3301.0711 of the Revised Code.

(L) Any student described by division (A)(1) of this section may be awarded a diploma without meeting the requirement prescribed by section 3313.618 of the Revised Code provided an individualized education program specifically exempts the student from meeting such requirement. This division does not negate the requirement for a student to take the assessments prescribed by section 3301.0710 or under division (B) of section 3301.0712 of the Revised Code, or alternate assessments required by division (C)(1) of section 3301.0711 of the Revised Code, for the purpose of assessing student progress as required by federal law.
