

Ohio Revised Code

Section 3313.981 Interdistrict enrollment reporting and transportation.

Effective: July 1, 2014

Legislation: House Bill 59 - 130th General Assembly

(A) The state board of education shall adopt rules requiring all of the following:

(1) The board of education of each city, exempted village, and local school district to annually report to the department of education all of the following:

(a) The number of adjacent district or other district students, as applicable, and adjacent district or other district joint vocational students, as applicable, enrolled in the district and the number of native students enrolled in adjacent or other districts, in accordance with a policy adopted under division (B) of section 3313.98 of the Revised Code;

(b) Each adjacent district or other district student's or adjacent district or other district joint vocational student's date of enrollment in the district;

(c) The full-time equivalent number of adjacent district or other district students enrolled in each of the categories of career-technical education programs or classes described in section 3317.014 of the Revised Code;

(d) Each native student's date of enrollment in an adjacent or other district.

(2) The board of education of each joint vocational school district to annually report to the department all of the following:

(a) The number of adjacent district or other district joint vocational students, as applicable, enrolled in the district;

(b) The full-time equivalent number of adjacent district or other district joint vocational students enrolled in each category of career-technical education programs or classes described in section 3317.014 of the Revised Code;

(c) For each adjacent district or other district joint vocational student, the city, exempted village, or local school district in which the student is also enrolled.

(3) Prior to the end of each reporting period specified in section 3317.03 of the Revised Code, the superintendent of each city, local, or exempted village school district that admits adjacent district or other district students or adjacent district or other district joint vocational students in accordance with a policy adopted under division (B) of section 3313.98 of the Revised Code to report to the department of education each adjacent or other district's students and where those students who are enrolled in the superintendent's district under the policy are entitled to attend school under section 3313.64 or 3313.65 of the Revised Code.

The rules shall provide for the method of counting students who are enrolled for part of a school year in an adjacent or other district or as an adjacent district or other district joint vocational student.

(B) From the payments made to a city, exempted village, or local school district under Chapter 3317. of the Revised Code and, if necessary, from the payments made to the district under sections 321.24 and 323.156 of the Revised Code, the department of education shall annually subtract both of the following:

(1) An amount equal to the number of the district's native students reported under division (A)(1) of this section who are enrolled in adjacent or other school districts pursuant to policies adopted by such districts under division (B) of section 3313.98 of the Revised Code multiplied by the formula amount;

(2) The excess costs computed in accordance with division (E) of this section for any such native students receiving special education and related services in adjacent or other school districts or as an adjacent district or other district joint vocational student;

(3) For the each of the district's native students reported under division (A)(1)(c) or (2)(b) of this section as enrolled in career-technical education programs or classes described in section 3317.014 of the Revised Code, the per pupil amount prescribed by that section for the student's respective

career-technical category, on a full-time equivalency basis.

(C) To the payments made to a city, exempted village, or local school district under Chapter 3317. of the Revised Code, the department of education shall annually add all of the following:

(1) An amount equal to the formula amount multiplied by the remainder obtained by subtracting the number of adjacent district or other district joint vocational students from the number of adjacent district or other district students enrolled in the district, as reported under division (A)(1) of this section;

(2) The excess costs computed in accordance with division (E) of this section for any adjacent district or other district students, except for any adjacent or other district joint vocational students, receiving special education and related services in the district;

(3) For the each of the adjacent or other district students who are not adjacent district or other district joint vocational students and are reported under division (A)(1)(c) of this section as enrolled in career-technical education programs or classes described in section 3317.014 of the Revised Code, the per pupil amount prescribed by that section for the student's respective career-technical category, on a full-time equivalency basis;

(4) An amount equal to the number of adjacent district or other district joint vocational students reported under division (A)(1) of this section multiplied by an amount equal to twenty per cent of the formula amount.

(D) To the payments made to a joint vocational school district under Chapter 3317. of the Revised Code, the department of education shall add, for each adjacent district or other district joint vocational student reported under division (A)(2) of this section, both of the following:

(1) The formula amount;

(2) The per pupil amount for each of the students reported pursuant to division (A)(2)(b) of this section prescribed by section 3317.014 of the Revised Code for the student's respective career-technical category, on a full-time equivalency basis.

(E)(1) A city, exempted village, or local school board providing special education and related services to an adjacent or other district student in accordance with an IEP shall, pursuant to rules of the state board, compute the excess costs to educate such student as follows:

(a) Subtract the formula amount from the actual costs to educate the student;

(b) From the amount computed under division (E)(1)(a) of this section subtract the amount of any funds received by the district under Chapter 3317. of the Revised Code to provide special education and related services to the student.

(2) The board shall report the excess costs computed under this division to the department of education.

(3) If any student for whom excess costs are computed under division (E)(1) of this section is an adjacent or other district joint vocational student, the department of education shall add the amount of such excess costs to the payments made under Chapter 3317. of the Revised Code to the joint vocational school district enrolling the student.

(F) As provided in division (D)(1)(b) of section 3317.03 of the Revised Code, no joint vocational school district shall count any adjacent or other district joint vocational student enrolled in the district in its enrollment certified under section 3317.03 of the Revised Code.

(G) No city, exempted village, or local school district shall receive a payment under division (C) of this section for a student, and no joint vocational school district shall receive a payment under division (D) of this section for a student, if for the same school year that student is counted in the district's enrollment certified under section 3317.03 of the Revised Code.

(H) Upon request of a parent, and provided the board offers transportation to native students of the same grade level and distance from school under section 3327.01 of the Revised Code, a city, exempted village, or local school board enrolling an adjacent or other district student shall provide transportation for the student within the boundaries of the board's district, except that the board shall be required to pick up and drop off a nonhandicapped student only at a regular school bus stop
