

Ohio Revised Code

Section 3313.981 Interdistrict enrollment reporting and transportation.

Effective: September 30, 2021

Legislation: House Bill 110 - 134th General Assembly

(A) The state board of education shall adopt rules requiring all of the following:

(1) The board of education of each city, exempted village, and local school district to annually report to the department of education all of the following:

(a) The number of adjacent district or other district students in grades kindergarten through twelve, as applicable, the number of adjacent district or other district students who are preschool children with disabilities, as applicable, and the number of adjacent district or other district joint vocational students, as applicable, enrolled in the district, in accordance with a policy adopted under division (B) of section 3313.98 of the Revised Code;

(b) The number of native students in grades kindergarten through twelve enrolled in adjacent or other districts and the number of native students who are preschool children with disabilities enrolled in adjacent or other districts, in accordance with a policy adopted under division (B) of section 3313.98 of the Revised Code;

(c) Each adjacent district or other district student's or adjacent district or other district joint vocational student's date of enrollment in the district;

(d) The full-time equivalent number of adjacent district or other district students enrolled in each of the categories of career-technical education programs or classes described in section 3317.014 of the Revised Code;

(e) Each native student's date of enrollment in an adjacent or other district.

(2) The board of education of each joint vocational school district to annually report to the department all of the following:

(a) The number of adjacent district or other district joint vocational students, as applicable, enrolled in the district;

(b) The full-time equivalent number of adjacent district or other district joint vocational students enrolled in each category of career-technical education programs or classes described in section 3317.014 of the Revised Code;

(c) For each adjacent district or other district joint vocational student, the city, exempted village, or local school district in which the student is also enrolled.

(3) Prior to the end of each reporting period specified in section 3317.03 of the Revised Code, the superintendent of each city, local, or exempted village school district that admits adjacent district or other district students who are in grades kindergarten through twelve, adjacent district or other district students who are preschool children with disabilities, or adjacent district or other district joint vocational students in accordance with a policy adopted under division (B) of section 3313.98 of the Revised Code to report to the department of education each adjacent or other district's students and where those students who are enrolled in the superintendent's district under the policy are entitled to attend school under section 3313.64 or 3313.65 of the Revised Code.

The rules shall provide for the method of counting students who are enrolled for part of a school year in an adjacent or other district or as an adjacent district or other district joint vocational student.

(B) From the payments made to a city, exempted village, or local school district under Chapter 3317. of the Revised Code and, if necessary, from the payments made to the district under sections 321.24 and 323.156 of the Revised Code, the department of education shall annually subtract, for each native student who is a preschool child with a disability reported under division (A)(1) of this section who is enrolled in an adjacent or other district pursuant to policies adopted by such a district under division (B) of section 3313.98 of the Revised Code, \$4,000.

(C) To the payments made to a city, exempted village, or local school district under Chapter 3317. of the Revised Code, the department of education shall annually add, for each adjacent district or other district student who is a preschool child with a disability reported under division (A)(1) of this section who is enrolled in the district, \$4,000.

(D) No city, exempted village, or local school district shall receive a payment under division (C) of this section for a student if for the same school year that student is counted in the district's enrollment certified under section 3317.03 of the Revised Code.

(E) Upon request of a parent, and provided the board offers transportation to native students of the same grade level and distance from school under section 3327.01 of the Revised Code, a city, exempted village, or local school board enrolling an adjacent or other district student shall provide transportation for the student within the boundaries of the board's district, except that the board shall be required to pick up and drop off a nonhandicapped student only at a regular school bus stop designated in accordance with the board's transportation policy. Pursuant to rules of the state board of education, such board may reimburse the parent from funds received for pupil transportation under section 3317.0212 of the Revised Code, or other provisions of law, for the reasonable cost of transportation from the student's home to the designated school bus stop if the student's family has an income below the federal poverty line.
