

## Ohio Revised Code

### Section 3314.023 Monitoring, oversight, and technical assistance; school closure.

Effective: March 23, 2015

Legislation: House Bill 10 - 130th General Assembly

---

In order to provide monitoring and technical assistance, a representative of the sponsor of a community school shall meet with the governing authority or fiscal officer of the school and shall review the financial and enrollment records of the school at least once every month. Not later than ten days after each review, the sponsor shall provide the governing authority and fiscal officer with a written report regarding the review.
