

## Ohio Revised Code

### Section 3314.27 Maximum daily hours by computer-based school student.

Effective: June 30, 2005

Legislation: House Bill 66 - 126th General Assembly

---

No student enrolled in an internet- or computer-based community school may participate in more than ten hours of learning opportunities in any period of twenty-four consecutive hours. Any time such a student participates in learning opportunities beyond the limit prescribed in this section shall not count toward the annual minimum number of hours required to be provided to that student as prescribed in division (A)(11)(a) of section 3314.03 of the Revised Code. If any internet- or computer-based community school requires its students to participate in learning opportunities on the basis of days rather than hours, one day shall consist of a minimum of five hours of such participation.
