

## Ohio Revised Code

### Section 3317.021 Tax commissioner information for school funding computations.

Effective: August 5, 2016

Legislation: House Bill 233 - 131st General Assembly

---

(A) On or before the first day of June of each year, the tax commissioner shall certify to the department of education and the office of budget and management the information described in divisions (A)(1) to (5) of this section for each city, exempted village, and local school district, and the information required by divisions (A)(1) and (2) of this section for each joint vocational school district, and it shall be used, along with the information certified under division (B) of this section, in making the computations for the district under this chapter.

(1) The taxable value of real and public utility real property in the school district subject to taxation in the preceding tax year, by class and by county of location.

(2) The taxable value of tangible personal property, including public utility personal property, subject to taxation by the district for the preceding tax year.

(3)(a) The total property tax rate and total taxes charged and payable for the current expenses for the preceding tax year and the total property tax rate and the total taxes charged and payable to a joint vocational district for the preceding tax year that are limited to or to the extent apportioned to current expenses.

(b) The portion of the amount of taxes charged and payable reported for each city, local, and exempted village school district under division (A)(3)(a) of this section attributable to a joint vocational school district.

(4) The value of all real and public utility real property in the school district exempted from taxation minus both of the following:

(a) The value of real and public utility real property in the district owned by the United States government and used exclusively for a public purpose;

(b) The value of real and public utility real property in the district exempted from taxation under Chapter 725. or 1728. or section 3735.67, 5709.40, 5709.41, 5709.45, 5709.62, 5709.63, 5709.632, 5709.73, or 5709.78 of the Revised Code.

(5) The total federal adjusted gross income of the residents of the school district, based on tax returns filed by the residents of the district, for the most recent year for which this information is available, and the median Ohio adjusted gross income of the residents of the school district determined on the basis of tax returns filed for the second preceding tax year by the residents of the district.

(B) On or before the first day of May each year, the tax commissioner shall certify to the department of education and the office of budget and management the total taxable real property value of railroads and, separately, the total taxable tangible personal property value of all public utilities for the preceding tax year, by school district and by county of location.

(C) If a public utility has properly and timely filed a petition for reassessment under section 5727.47 of the Revised Code with respect to an assessment issued under section 5727.23 of the Revised Code affecting taxable property apportioned by the tax commissioner to a school district, the taxable value of public utility tangible personal property included in the certification under divisions (A)(2) and (B) of this section for the school district shall include only the amount of taxable value on the basis of which the public utility paid tax for the preceding year as provided in division (B)(1) or (2) of section 5727.47 of the Revised Code.

(D) If on the basis of the information certified under division (A) of this section, the department determines that any district fails in any year to meet the qualification requirement specified in division (A) of section 3317.01 of the Revised Code, the department shall immediately request the tax commissioner to determine the extent to which any school district income tax levied by the district under Chapter 5748. of the Revised Code shall be included in meeting that requirement. Within five days of receiving such a request from the department, the tax commissioner shall make the determination required by this division and report the quotient obtained under division (D)(3) of this section to the department and the office of budget and management. This quotient represents the number of mills that the department shall include in determining whether the district meets the qualification requirement of division (A) of section 3317.01 of the Revised Code.

The tax commissioner shall make the determination required by this division as follows:

(1) Multiply one mill times the total taxable value of the district as determined in divisions (A)(1) and (2) of this section;

(2) Estimate the total amount of tax liability for the current tax year under taxes levied by Chapter 5748. of the Revised Code that are apportioned to current operating expenses of the district, excluding any income tax receipts allocated for the project cost, debt service, or maintenance set-aside associated with a state-assisted classroom facilities project as authorized by section 3318.052 of the Revised Code;

(3) Divide the amount estimated under division (D)(2) of this section by the product obtained under division (D)(1) of this section.
