(C) Any interest earned by a chartered nonpublic school on moneys paid to it under division (E)(2) of section 3317.024 of the Revised Code shall be used by the school for the same purposes and in the same manner as the payments may be used under this section.

(D) The department of education shall adopt guidelines and procedures regarding both of the following:

(1) The expenditure of moneys under this section;

(2) The audit of nonpublic schools receiving funds under this section to ensure the appropriate use of funds.

(E) The department shall adopt a rule specifying the party that owns any property purchased by a chartered nonpublic school with moneys paid under division (E)(2) of section 3317.024 of the

Revised Code. The rule shall include procedures for disposal of the property by the designated owner when appropriate.

(F) Within thirty days after the end of each biennium, each chartered nonpublic school shall remit to the department all moneys paid to it under division (E)(2) of section 3317.024 of the Revised Code and any interest earned on those moneys that are not required to pay expenses incurred under this section during the biennium for which the moneys were appropriated and during which the interest was earned. If a school subsequently determines that the remittal of moneys leaves the school with insufficient money to pay all valid expenses incurred under this section during the biennium for which the remitted moneys were appropriated, the school may apply to the department for a refund of money, not to exceed the amount of the insufficiency. If the department determines the expenses were lawfully incurred and would have been lawful expenditures of the refunded money, the department shall make a refund in the necessary amount.
