

## Ohio Revised Code

### Section 3318.112 Standards for solar-ready equipment.

Effective: July 31, 2008

Legislation: Senate Bill 221 - 127th General Assembly

---

(A) As used in this section, "solarready" means capable of accommodating the eventual installation of roof top, solar photovoltaic energy equipment.

(B) The Ohio school facilities commission shall adopt rules prescribing standards for solarready equipment in school buildings under their jurisdiction. The rules shall include, but not be limited to, standards regarding roof space limitations, shading and obstruction, building orientation, roof loading capacity, and electric systems.

(C) A school district may seek, and the commission may grant for good cause shown, a waiver from part or all of the standards prescribed under division (B) of this section.
