

Ohio Revised Code

Section 3319.231 Qualifications for teaching community service education.

Effective: June 3, 1992

Legislation: House Bill 396 - 119th General Assembly

As used in this section, "community service" has the same meaning as in section 3313.605 of the Revised Code.

The state board of education shall adopt rules establishing qualifications for the teaching of community service education for high school credit under division (C) of section 3313.605 of the Revised Code. In addition, the board shall provide technical assistance to school districts providing community service instructional programs for teachers.
