(B) Not later than one year after October 16, 2009, the chancellor shall approve institutions of higher education engaged in the preparation of educators and other school personnel that maintain satisfactory training procedures and records of performance, as determined by the chancellor.

(C) If the metrics established under division (A)(1) of this section require an institution of higher education that prepares teachers to satisfy the standards of an independent accreditation organization, the chancellor shall permit each institution to satisfy the standards of any applicable national educator preparation accrediting agency recognized by the United States department of education.

(D) The metrics and educator preparation programs established under division (A)(1) of this section

may require an institution of higher education, as a condition of approval by the chancellor, to make changes in the curricula of its preparation programs for educators and other school personnel.

Notwithstanding division (D) of section 119.03 and division (A)(1) of section 119.04 of the Revised Code, any metrics, educator preparation programs, rules, and regulations, or any amendment or rescission of such metrics, educator preparation programs, rules, and regulations, adopted under this section that necessitate institutions offering preparation programs for educators and other school personnel approved by the chancellor to revise the curricula of those programs shall not be effective for at least one year after the first day of January next succeeding the publication of the said change.

Each institution shall allocate money from its existing revenue sources to pay the cost of making the curricular changes.

(E) The chancellor shall notify the state board of the metrics and educator preparation programs established under division (A)(1) of this section and the institutions of higher education approved under division (B) of this section. The state board shall publish the metrics, educator preparation programs, and approved institutions with the standards and qualifications for each type of educator license.

(F) The graduates of educator preparation programs approved by the chancellor shall be licensed by the state board in accordance with the standards and qualifications adopted under section 3319.22 of the Revised Code.
