

## Ohio Revised Code Section 3365.06 Enrollment options.

Effective: September 17, 2014

Legislation: House Bill 487 - 130th General Assembly

---

The rules adopted under section 3365.02 of the Revised Code shall provide for participants to enroll in courses under either of the following options:

(A) The participant may elect at the time of enrollment to be responsible for payment of all tuition and the cost of all textbooks, materials, and fees associated with the course. The college shall notify the participant about payment of tuition and fees in the customary manner followed by the college. A participant electing this option also shall elect, at the time of enrollment, whether to receive only college credit or high school credit and college credit for the course.

(1) The participant may elect to receive only college credit for the course. Except as provided in section 3365.032 of the Revised Code, if the participant successfully completes the course, the college shall award the participant full credit for the course, but the governing entity of a public secondary school or the governing body of a participating nonpublic secondary school shall not award the high school credit.

(2) The participant may elect to receive both high school credit and college credit for the course. Except as provided in section 3365.032 of the Revised Code, if the participant successfully completes the course, the college shall award the participant full credit for the course and the governing entity of a public school or the governing body of a participating nonpublic school shall award the participant high school credit.

(B) The participant may elect at the time of enrollment for each course to have the college reimbursed under section 3365.07 of the Revised Code. Except as provided in section 3365.032 of the Revised Code, if the participant successfully completes the course, the college shall award the participant full credit for the course and the governing entity of a public school or the governing body of a participating nonpublic school shall award the participant high school credit. If the participant elects to have the college reimbursed under this division, the department shall reimburse the college for the number of enrolled credit hours in accordance with section 3365.07 of the

Revised Code.

When determining a school district's enrollment under section 3317.03 of the Revised Code, the time a participant is attending courses under division (A) of this section shall be considered as time the participant is not attending or enrolled in school anywhere, and the time a participant is attending courses under division (B) of this section shall be considered as time the participant is attending or enrolled in the district's schools.
