The expenses of the board of elections shall be apportioned among the county and the various subdivisions as provided in this section, and the amount chargeable to each subdivision shall be withheld by the county auditor from the moneys payable thereto at the time of the next tax settlement. A board of township trustees may, by resolution, request that the county auditor withhold expenses charged to the township from a specified township fund that is to be credited with revenue at a tax settlement. The resolution shall specify the tax levy ballot issue, the date of the election on the levy issue, and the township fund from which the expenses the board of elections incurs related to that ballot issue shall be withheld.

The fund shall not accumulate any revenue withheld by or paid to the county under this section for the compensation of the members of the board of elections or of the director, deputy director, or other regular employees in the board's offices, other than compensation for overtime worked.

Notwithstanding sections 5705.14, 5705.15, and 5705.16 of the Revised Code, the board of county commissioners may, by resolution, transfer money to the elections revenue fund from any other fund of the political subdivision from which such payments lawfully may be made.
