

Ohio Revised Code

Section 3503.26 Custody of registration forms, records and lists.

Effective: February 25, 2014

Legislation: Senate Bill 109 - 130th General Assembly

(A) All registration forms and lists, when not in official use by the registrars or precinct election officials, shall be in the possession of the board of elections. Names and addresses of electors may be copied from the registration lists only in the office of the board when it is open for business; but no such copying shall be permitted during the period of time commencing twenty-one days before an election and ending on the eleventh day after an election if such copying will, in the opinion of the board, interfere with the necessary work of the board. The board shall keep in convenient form and available for public inspection a correct set of the registration lists of all precincts in the county.

(B) Notwithstanding division (A) of this section the board of elections shall maintain and make available for public inspection and copying at a reasonable cost all records concerning the implementation of programs and activities conducted for the purpose of ensuring the accuracy and currency of voter registration lists, including the names and addresses of all registered electors sent confirmation notices and whether or not the elector responded to the confirmation notice. The board shall maintain all records described in this division for a period of two years.
