

Ohio Revised Code

Section 3517.10 Statements of campaign contributions and expenditures.

Effective: January 1, 2021

Legislation: House Bill 166, Senate Bill 107 - 133rd General Assembly

(A) Except as otherwise provided in this division, every campaign committee, political action committee, legislative campaign fund, political party, and political contributing entity that made or received a contribution or made an expenditure in connection with the nomination or election of any candidate or in connection with any ballot issue or question at any election held or to be held in this state shall file, on a form prescribed under this section or by electronic means of transmission as provided in this section and section 3517.106 of the Revised Code, a full, true, and itemized statement, made under penalty of election falsification, setting forth in detail the contributions and expenditures, not later than four p.m. of the following dates:

- (1) The twelfth day before the election to reflect contributions received and expenditures made from the close of business on the last day reflected in the last previously filed statement, if any, to the close of business on the twentieth day before the election;
- (2) The thirty-eighth day after the election to reflect the contributions received and expenditures made from the close of business on the last day reflected in the last previously filed statement, if any, to the close of business on the seventh day before the filing of the statement;
- (3) The last business day of January of every year to reflect the contributions received and expenditures made from the close of business on the last day reflected in the last previously filed statement, if any, to the close of business on the last day of December of the previous year;
- (4) The last business day of July of every year to reflect the contributions received and expenditures made from the close of business on the last day reflected in the last previously filed statement, if any, to the close of business on the last day of June of that year.

A campaign committee shall only be required to file the statements prescribed under divisions (A)(1) and (2) of this section in connection with the nomination or election of the committee's candidate.

The statement required under division (A)(1) of this section shall not be required of any campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity that has received contributions of less than one thousand dollars and has made expenditures of less than one thousand dollars at the close of business on the twentieth day before the election. Those contributions and expenditures shall be reported in the statement required under division (A)(2) of this section.

If an election to select candidates to appear on the general election ballot is held within sixty days before a general election, the campaign committee of a successful candidate in the earlier election may file the statement required by division (A)(1) of this section for the general election instead of the statement required by division (A)(2) of this section for the earlier election if the pregeneral election statement reflects the status of contributions and expenditures for the period twenty days before the earlier election to twenty days before the general election.

If a person becomes a candidate less than twenty days before an election, the candidate's campaign committee is not required to file the statement required by division (A)(1) of this section.

No statement under division (A)(3) of this section shall be required for any year in which a campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity is required to file a postgeneral election statement under division (A)(2) of this section. However, a statement under division (A)(3) of this section may be filed, at the option of the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity.

No campaign committee of a candidate for the office of chief justice or justice of the supreme court, and no campaign committee of a candidate for the office of judge of any court in this state, shall be required to file a statement under division (A)(4) of this section.

Except as otherwise provided in this paragraph and in the next paragraph of this section, the only campaign committees required to file a statement under division (A)(4) of this section are the campaign committee of a statewide candidate and the campaign committee of a candidate for county office. The campaign committee of a candidate for any other nonjudicial office is required to file a statement under division (A)(4) of this section if that campaign committee receives, during that

period, contributions exceeding ten thousand dollars.

No statement under division (A)(4) of this section shall be required of a campaign committee, a political action committee, a legislative campaign fund, a political party, or a political contributing entity for any year in which the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity is required to file a postprimary election statement under division (A)(2) of this section. However, a statement under division (A)(4) of this section may be filed at the option of the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity.

No statement under division (A)(3) or (4) of this section shall be required if the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity has no contributions that it has received and no expenditures that it has made since the last date reflected in its last previously filed statement. However, the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity shall file a statement to that effect, on a form prescribed under this section and made under penalty of election falsification, on the date required in division (A)(3) or (4) of this section, as applicable.

The campaign committee of a statewide candidate shall file a monthly statement of contributions received during each of the months of July, August, and September in the year of the general election in which the candidate seeks office. The campaign committee of a statewide candidate shall file the monthly statement not later than three business days after the last day of the month covered by the statement. During the period beginning on the nineteenth day before the general election in which a statewide candidate seeks election to office and extending through the day of that general election, each time the campaign committee of the joint candidates for the offices of governor and lieutenant governor or of a candidate for the office of secretary of state, auditor of state, treasurer of state, or attorney general receives a contribution from a contributor that causes the aggregate amount of contributions received from that contributor during that period to equal or exceed ten thousand dollars and each time the campaign committee of a candidate for the office of chief justice or justice of the supreme court receives a contribution from a contributor that causes the aggregate amount of contributions received from that contributor during that period to exceed ten thousand dollars, the campaign committee shall file a two-business-day statement reflecting that contribution. Contributions reported on a two-business-day statement required to be filed by a campaign

committee of a statewide candidate in a primary election shall also be included in the postprimary election statement required to be filed by that campaign committee under division (A)(2) of this section. A two-business-day statement required by this paragraph shall be filed not later than two business days after receipt of the contribution. The statements required by this paragraph shall be filed in addition to any other statements required by this section.

Subject to the secretary of state having implemented, tested, and verified the successful operation of any system the secretary of state prescribes pursuant to divisions (C)(6)(b) and (D)(6) of this section and division (F)(1) of section 3517.106 of the Revised Code for the filing of campaign finance statements by electronic means of transmission, a campaign committee of a statewide candidate shall file a two-business-day statement under the preceding paragraph by electronic means of transmission if the campaign committee is required to file a pre-election, postelection, or monthly statement of contributions and expenditures by electronic means of transmission under this section or section 3517.106 of the Revised Code.

If a campaign committee or political action committee has no balance on hand and no outstanding obligations and desires to terminate itself, it shall file a statement to that effect, on a form prescribed under this section and made under penalty of election falsification, with the official with whom it files a statement under division (A) of this section after filing a final statement of contributions and a final statement of expenditures, if contributions have been received or expenditures made since the period reflected in its last previously filed statement.

(B) Except as otherwise provided in division (C)(7) of this section, each statement required by division (A) of this section shall contain the following information:

(1) The full name and address of each campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity, including any treasurer of the committee, fund, party, or entity, filing a contribution and expenditure statement;

(2)(a) In the case of a campaign committee, the candidate's full name and address;

(b) In the case of a political action committee, the registration number assigned to the committee under division (D)(1) of this section.

(3) The date of the election and whether it was or will be a general, primary, or special election;

(4) A statement of contributions received, which shall include the following information:

(a) The month, day, and year of the contribution;

(b)(i) The full name and address of each person, political party, campaign committee, legislative campaign fund, political action committee, or political contributing entity from whom contributions are received and the registration number assigned to the political action committee under division (D)(1) of this section. The requirement of filing the full address does not apply to any statement filed by a state or local committee of a political party, to a finance committee of such committee, or to a committee recognized by a state or local committee as its fund-raising auxiliary. Notwithstanding division (F) of this section, the requirement of filing the full address shall be considered as being met if the address filed is the same address the contributor provided under division (E)(1) of this section.

(ii) If a political action committee, political contributing entity, legislative campaign fund, or political party that is required to file campaign finance statements by electronic means of transmission under section 3517.106 of the Revised Code or a campaign committee of a statewide candidate or candidate for the office of member of the general assembly receives a contribution from an individual that exceeds one hundred dollars, the name of the individual's current employer, if any, or, if the individual is self-employed, the individual's occupation and the name of the individual's business, if any;

(iii) If a campaign committee of a statewide candidate or candidate for the office of member of the general assembly receives a contribution transmitted pursuant to section 3599.031 of the Revised Code from amounts deducted from the wages and salaries of two or more employees that exceeds in the aggregate one hundred dollars during any one filing period under division (A)(1), (2), (3), or (4) of this section, the full name of the employees' employer and the full name of the labor organization of which the employees are members, if any.

(c) A description of the contribution received, if other than money;

An account of the total contributions from each social or fund-raising activity shall include a description of and the value of each in-kind contribution received at that activity from any person who made one or more such contributions whose aggregate value exceeded two hundred fifty dollars and shall be listed separately, together with the expenses incurred and paid in connection with that activity. A campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity shall keep records of contributions from each person in the amount of twenty-five dollars or less at one social or fund-raising activity and contributions from amounts deducted under section 3599.031 of the Revised Code from the wages and salary of each employee in the amount of twenty-five dollars or less aggregated in a calendar year. No continuing association that is recognized by a state or local committee of a political party as an auxiliary of the party and that makes a contribution from funds derived solely from regular dues paid by members of the auxiliary shall be required to list the name or address of any members who paid those dues.

Contributions that are other income shall be itemized separately from all other contributions. The information required under division (B)(4) of this section shall be provided for all other income itemized. As used in this paragraph, "other income" means a loan, investment income, or interest income.

As used in this division:

(i) "State elected officer" has the same meaning as in section 3517.092 of the Revised Code.

(ii) "Person doing business" means a person or an officer of an entity who enters into one or more contracts with a state elected officer or anyone authorized to enter into contracts on behalf of that officer to receive payments for goods or services, if the payments total, in the aggregate, more than five thousand dollars during a calendar year.

(5) A statement of expenditures which shall include the following information:

(a) The month, day, and year of the expenditure;

(b) The full name and address of each person, political party, campaign committee, legislative campaign fund, political action committee, or political contributing entity to whom the expenditure was made and the registration number assigned to the political action committee under division (D)(1) of this section;

(c) The object or purpose for which the expenditure was made;

(d) The amount of each expenditure.

(C)(1) The statement of contributions and expenditures shall be signed by the person completing the form. If a statement of contributions and expenditures is filed by electronic means of transmission pursuant to this section or section 3517.106 of the Revised Code, the electronic signature of the person who executes the statement and transmits the statement by electronic means of transmission, as provided in division (F) of section 3517.106 of the Revised Code, shall be attached to or associated with the statement and shall be binding on all persons and for all purposes under the campaign finance reporting law as if the signature had been handwritten in ink on a printed form.

(2) The person filing the statement, under penalty of election falsification, shall include with it a list of each anonymous contribution, the circumstances under which it was received, and the reason it cannot be attributed to a specific donor.

(3) Each statement of a campaign committee of a candidate who holds public office shall contain a

designation of each contributor who is an employee in any unit or department under the candidate's direct supervision and control. In a space provided in the statement, the person filing the statement shall affirm that each such contribution was voluntarily made.

(4) A campaign committee that did not receive contributions or make expenditures in connection with the nomination or election of its candidate shall file a statement to that effect, on a form prescribed under this section and made under penalty of election falsification, on the date required in division (A)(2) of this section.

(5) The campaign committee of any person who attempts to become a candidate and who, for any reason, does not become certified in accordance with Title XXXV of the Revised Code for placement on the official ballot of a primary, general, or special election to be held in this state, and who, at any time prior to or after an election, receives contributions or makes expenditures, or has given consent for another to receive contributions or make expenditures, for the purpose of bringing about the person's nomination or election to public office, shall file the statement or statements prescribed by this section and a termination statement, if applicable. Division (C)(5) of this section does not apply to any person with respect to an election to the offices of member of a county or state central committee, presidential elector, or delegate to a national convention or conference of a political party.

(6)(a) The statements required to be filed under this section shall specify the balance in the hands of the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity and the disposition intended to be made of that balance.

(b) The secretary of state shall prescribe the form for all statements required to be filed under this section and shall furnish the forms to the boards of elections in the several counties. The boards of elections shall supply printed copies of those forms without charge. The secretary of state shall prescribe the appropriate methodology, protocol, and data file structure for statements required or permitted to be filed by electronic means of transmission to the secretary of state or a board of elections under division (A) of this section, division (E) of section 3517.106, division (D) of section 3517.1011, division (B) of section 3517.1012, division (C) of section 3517.1013, and divisions (D) and (I) of section 3517.1014 of the Revised Code. Any such format shall be of a type and nature that is readily available to whoever is required to file the statements in that format.

(c) The secretary of state shall assess the need for training regarding the filing of campaign finance statements by electronic means of transmission and regarding associated technologies for candidates, campaign committees, political action committees, legislative campaign funds, political parties, or political contributing entities, for individuals, partnerships, or other entities, for persons making disbursements to pay the direct costs of producing or airing electioneering communications, or for treasurers of transition funds, required or permitted to file statements by electronic means of transmission under this section or section 3517.105, 3517.106, 3517.1011, 3517.1012, 3517.1013, or 3517.1014 of the Revised Code. If, in the opinion of the secretary of state, training in these areas is necessary, the secretary of state shall arrange for the provision of voluntary training programs for candidates, campaign committees, political action committees, legislative campaign funds, political parties, or political contributing entities, for individuals, partnerships, and other entities, for persons making disbursements to pay the direct costs of producing or airing electioneering communications, or for treasurers of transition funds, as appropriate.

(7) Each monthly statement and each two-business-day statement required by division (A) of this section shall contain the information required by divisions (B)(1) to (4), (C)(2), and, if appropriate, (C)(3) of this section. Each statement shall be signed as required by division (C)(1) of this section.

(D)(1) Prior to receiving a contribution or making an expenditure, every campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity shall appoint a treasurer and shall file, on a form prescribed by the secretary of state, a designation of that appointment, including the full name and address of the treasurer and of the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity. That designation shall be filed with the official with whom the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity is required to file statements under section 3517.11 of the Revised Code. The

name of a campaign committee shall include at least the last name of the campaign committee's candidate. If two or more candidates are the beneficiaries of a single campaign committee under division (B) of section 3517.081 of the Revised Code, the name of the campaign committee shall include at least the last name of each candidate who is a beneficiary of that campaign committee. The secretary of state shall assign a registration number to each political action committee that files a designation of the appointment of a treasurer under this division if the political action committee is required by division (A)(1) of section 3517.11 of the Revised Code to file the statements prescribed by this section with the secretary of state.

(2) The treasurer appointed under division (D)(1) of this section shall keep a strict account of all contributions, from whom received and the purpose for which they were disbursed.

A state or county political party shall deposit all other monetary contributions received by the party into one or more accounts that are separate from its state candidate fund.

(d) Each state political party shall have only one legislative campaign fund for each house of the general assembly. Each such fund shall be separate from any other funds or accounts of that state party. A legislative campaign fund is authorized to receive contributions and make expenditures for the primary purpose of furthering the election of candidates who are members of that political party to the house of the general assembly with which that legislative campaign fund is associated. Each legislative campaign fund shall be administered and controlled in a manner designated by the caucus. As used in this division, "caucus" has the same meaning as in section 3517.01 of the Revised Code

and includes, as an ex officio member, the chairperson of the state political party with which the caucus is associated or that chairperson's designee.

(4) Every expenditure in excess of twenty-five dollars shall be vouched for by a receipted bill, stating the purpose of the expenditure, that shall be filed with the statement of expenditures. A canceled check with a notation of the purpose of the expenditure is a receipted bill for purposes of division (D)(4) of this section.

(5) The secretary of state or the board of elections, as the case may be, shall issue a receipt for each statement filed under this section and shall preserve a copy of the receipt for a period of at least six years. All statements filed under this section shall be open to public inspection in the office where they are filed and shall be carefully preserved for a period of at least six years after the year in which they are filed.

(6) The secretary of state, by rule adopted pursuant to section 3517.23 of the Revised Code, shall prescribe both of the following:

(7)(a) The secretary of state, pursuant to division (G) of section 3517.106 of the Revised Code, shall make available online to the public through the internet the contribution and expenditure, contribution and disbursement, deposit and disbursement, gift and disbursement, or donation and disbursement information in all of the following documents:

(i) All statements, all addenda, amendments, or other corrections to statements, and all amended statements filed with the secretary of state by electronic or other means of transmission under this section, division (B)(2)(b) or (C)(2)(b) of section 3517.105, or section 3517.106, 3517.1011, 3517.1012, 3517.1013, 3517.1014, or 3517.11 of the Revised Code;

(b) The secretary of state may remove the information from the internet after a reasonable period of time.

(E)(1) Any person, political party, campaign committee, legislative campaign fund, political action committee, or political contributing entity that makes a contribution in connection with the nomination or election of any candidate or in connection with any ballot issue or question at any election held or to be held in this state shall provide its full name and address to the recipient of the contribution at the time the contribution is made. (b) Except as otherwise provided in division (F)(1) of this section, if an address is required in this section, a post-office box and office, room, or suite number may be included in addition to, but not in lieu of, an apartment, street, road, or highway name and number.

(c) If an address is required in this section, a campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity may use the business or residence address of its treasurer or deputy treasurer. The post-office box number of the campaign committee, political action committee, legislative campaign fund, political party, or political contributing entity may be used in addition to that address.

(d) For the sole purpose of a campaign committee's reporting of contributions on a statement of contributions received under division (B)(4) of this section, "address" has one of the following meanings at the option of the campaign committee:

(i) The same meaning as in division (F)(1)(a) of this section;

(ii) All of the following, if they exist: the contributor's post-office box number and city or village,

(H)(1) Except as otherwise provided in division (H)(2) of this section, if, during the combined pre-election and postelection reporting periods for an election, a campaign committee has received contributions of five hundred dollars or less and has made expenditures in the total amount of five hundred dollars or less, it may file a statement to that effect, under penalty of election falsification, in lieu of the statement required by division (A)(2) of this section. The statement shall indicate the total amount of contributions received and the total amount of expenditures made during those combined reporting periods.

(2) In the case of a successful candidate at a primary election, if either the total contributions received by or the total expenditures made by the candidate's campaign committee during the

preprimary, postprimary, pregeneral, and postgeneral election periods combined equal more than five hundred dollars, the campaign committee may file the statement under division (H)(1) of this section only for the primary election. (4) No contribution from a partner of a partnership or an owner or a member of another unincorporated business shall be accepted from any funds of the partnership or other unincorporated business unless the recipient reports the contribution under division (I)(1) of this section together with the information provided under division (I)(2) of this section.

The certificate shall be on a form prescribed by the secretary of state and shall be filed not later than ten days after the candidate files a declaration of candidacy and petition, a nominating petition, or a declaration of intent to be a write-in candidate.

(2) Except as otherwise provided in division (K)(3) of this section, a campaign committee that files a

certificate under division (K)(1) of this section is not required to file the statements required by division (A) of this section.

(3) If, after filing a certificate under division (K)(1) of this section, a campaign committee exceeds any of the limitations described in that division during an election period, the certificate is void and thereafter the campaign committee shall file the statements required by division (A) of this section. If the campaign committee has not previously filed a statement, then on the first statement the campaign committee is required to file under division (A) of this section after the committee's certificate is void, the committee shall report all contributions received and expenditures made from the time the candidate filed the candidate's declaration of candidacy and petition, nominating petition, or declaration of intent to be a write-in candidate.

(4) As used in division (K) of this section, "election period" means the period of time beginning on the day a person files a declaration of candidacy and petition, nominating petition, or declaration of intent to be a write-in candidate through the day of the election at which the person seeks nomination to office if the person is not elected to office, or, if the candidate was nominated in a primary election, the day of the election at which the candidate seeks office.

(L) A political contributing entity that receives contributions from the dues, membership fees, or other assessments of its members or from its officers, shareholders, and employees may report the aggregate amount of contributions received from those contributors and the number of individuals making those contributions, for each filing period under divisions (A)(1), (2), (3), and (4) of this section, rather than reporting information as required under division (B)(4) of this section, including, when applicable, the name of the current employer, if any, of a contributor whose contribution exceeds one hundred dollars or, if such a contributor is self-employed, the contributor's occupation and the name of the contributor's business, if any. Division (B)(4) of this section applies to a political contributing entity with regard to contributions it receives from all other contributors.
