

## Ohio Revised Code

### Section 3701.53 Duties of health commissioner.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

---

The health commissioner of a city or general health district shall:

- (A) Investigate each case of inflammation of eyes of the newborn or gonorrhoeal ophthalmia as filed with him and any other such case that comes to his attention;
  - (B) Report all cases of inflammation of the eyes of the newborn or gonorrhoeal ophthalmia, and the result of all such investigations, as the department of health directs;
  - (C) Conform to such other rules and regulations as the department promulgates for his further guidance;
  - (D) Determine the nature of the inflammation of the eyes in any case reported to him, and refer immediately to the Ohio commission for the blind, any inflammation of the eyes, for such treatment as the commission deems necessary.
-
