

Ohio Revised Code

Section 3701.926 Eligibility requirements.

Effective: March 20, 2013

Legislation: House Bill 303 - 129th General Assembly

(A) To be eligible for inclusion in the patient centered medical home education pilot project, a primary care practice led by physicians shall meet all of the following requirements:

(1) Consist of physicians who are board-certified in family medicine, general pediatrics, or internal medicine, as those designations are issued by a medical specialty certifying board recognized by the American board of medical specialties or American osteopathic association;

(2) Be capable of adapting the practice during the period in which the practice participates in the patient centered medical home education pilot project in such a manner that the practice is fully compliant with the minimum standards for operation of a patient centered medical home, as those standards are established by the director of health;

(3) Have submitted an application to participate in the project established under former section 185.05 of the Revised Code not later than April 15, 2011.

(4) Meet any other criteria established by the director as part of the selection process.

(B) To be eligible for inclusion in the pilot project, a primary care practice led by advanced practice registered nurses shall meet all of the following requirements:

(1) Consist of advanced practice registered nurses, each of whom meets all of the following requirements:

(a) Holds a certificate to prescribe issued under section 4723.48 of the Revised Code;

(b) Is board-certified as a family nurse practitioner or adult nurse practitioner by the American academy of nurse practitioners or American nurses credentialing center, board-certified as a geriatric nurse practitioner or women's health nurse practitioner by the American nurses

credentialing center, or is board-certified as a pediatric nurse practitioner by the American nurses credentialing center or pediatric nursing certification board;

(c) Collaborates under a standard care arrangement with a physician with board certification as specified in division (A)(1) of this section and who is an active participant on the health care team.

(2) Be capable of adapting the practice during the period in which the practice participates in the project in such a manner that the practice is fully compliant with the minimum standards for operation of a patient centered medical home, as those standards are established by the director;

(3) Have submitted an application to participate in the project established under former section 185.05 of the Revised Code not later than April 15, 2011.

(4) Meet any other criteria established by the director as part of the selection process.
