Effective: September 28, 2012

Legislation: House Bill 509 - 129th General Assembly

(A)(1) On or after the first day of April, but before the first day of May of each year, every person who intends to operate a recreational vehicle park, recreation camp, or combined park-camp shall procure a license to operate the park or camp from the licensor. If the applicable license fee prescribed under section 3729.07 of the Revised Code is not received by the licensor by the close of business on the last day of April, the applicant for the license shall pay a penalty equal to twenty-five per cent of the applicable license fee. The penalty shall accompany the license fee. If the last day of April is not a business day, the penalty attaches upon the close of business on the next business day.

(2) Every person who intends to operate a temporary park-camp shall obtain a license to operate the temporary park-camp from the licensor at any time before the person begins operation of the temporary park-camp during the calendar year.

(3) No recreational vehicle park, recreation camp, combined park-camp, or temporary park-camp shall be maintained or operated in this state without a license. However, no person who neither intends to receive nor receives anything of value arising from the use of, or the sale of goods or services in connection with the use of, a recreational vehicle park, recreation camp, combined park-camp, or temporary park-camp is required to procure a license under this division. If any health hazard exists at such an unlicensed park, camp, or park-camp, the health hazard shall be corrected in a manner consistent with the appropriate rule adopted under division (A) or (B) of section 3729.02 of the Revised Code.

(4) No person who has received a license under division (A)(1) of this section, upon the sale or disposition of the recreational vehicle park, recreation camp, or combined park-camp, may have the license transferred to the new operator. A person shall obtain a separate license to operate each recreational vehicle park, recreation camp, or combined park-camp. No license to operate a temporary park-camp shall be transferred. A person shall obtain a separate license for each

temporary park-camp that the person intends to operate, and the license shall be valid for a period of not longer than seven consecutive days. A person who operates a temporary park-camp on a tract of land for more than twenty-one days or parts thereof in a calendar year shall obtain a license to operate a recreational vehicle park, recreation camp, or combined park-camp.

(B)(1) Before a license is initially issued under division (A)(1) of this section and annually thereafter, or more often if necessary, the licensor shall cause each recreational vehicle park, recreation camp, or combined park-camp to be inspected to determine compliance with this chapter and rules adopted under it. A record shall be made of each inspection on a form prescribed by the director of health.

(2) When a license is initially issued under division (A)(2) of this section, and more often if necessary, the licensor shall cause each temporary park-camp to be inspected to determine compliance with this chapter and rules adopted under it during the period that the temporary park-camp is in operation. A record shall be made of each inspection on a form prescribed by the director.

(C) Each person applying for an initial license to operate a recreational vehicle park, recreation camp, combined park-camp, or temporary park-camp shall provide acceptable proof to the director, or to the licensor in the case of a temporary park-camp, that adequate fire protection will be provided and that applicable fire codes will be adhered to in the construction and operation of the park, camp, or park-camp.

(D) Any person that operates a county or state fair or any independent agricultural society organized pursuant to section 1711.02 of the Revised Code that operates a fair shall not be required to obtain a license under this chapter if recreational vehicles, portable camping units, or any combination of them are parked at the site of the fair only during the time of preparation for, operation of, and dismantling of the fair and if the recreational vehicles, portable camping units, or any combination of them belong to participants in the fair.

(E) The following entities that operate a fair and that hold a license issued under this chapter are not required to comply with the requirements normally imposed on a licensee under this chapter and rules adopted under it during the time of preparation for, operation of, and dismantling of the fair:

- (1) A county agricultural society organized pursuant to section 1711.01 of the Revised Code;
