

## Ohio Revised Code

### Section 3742.46 Lead poisoning prevention fund.

Effective: April 7, 2003

Legislation: House Bill 248 - 124th General Assembly

---

The essential maintenance practices portion of the preventive treatments specified in section 3742.41 of the Revised Code need not be performed by an individual who is licensed under this chapter as a lead abatement contractor or lead abatement worker. Effective two years after the effective date of this section, any individual, other than a licensed lead abatement contractor or lead abatement worker, who performs the essential maintenance practices must have successfully completed a training program in essential maintenance practices that has been approved by the director of health under section 3742.47 of the Revised Code.
