

Ohio Revised Code

Section 3743.44 Selling to nonresidents.

Effective: September 29, 2015

Legislation: House Bill 64

(A) Any person who resides in another state and who intends to obtain possession in this state of fireworks purchased in this state shall obtain possession of the fireworks only from a licensed manufacturer or licensed wholesaler and only possess the fireworks in this state while in the course of directly transporting them out of this state.

No licensed manufacturer or licensed wholesaler shall sell 1.3G fireworks to a person who resides in another state unless that person has been issued a license or permit in the state of the person's residence that authorizes the person to engage in the manufacture, wholesale sale, or retail sale of 1.3G fireworks or that authorizes the person to conduct 1.3G fireworks exhibitions in that state and that person presents a certified copy of the license.

No licensed manufacturer or licensed wholesaler shall sell fireworks to a person who resides in another state unless that person has been issued a license or permit in the state of the person's residence that authorizes the person to engage in the manufacture, wholesale sale, or retail sale of fireworks in that state or that authorizes the person to conduct fireworks exhibitions in that state and that person presents a certified copy of the license, or, if that person does not possess a license or permit of that nature, only if the person presents a current valid motor vehicle operator's license issued to the person in the person's state of residence, or, if that person does not possess a motor vehicle operator's license issued in that state, an identification card issued to the person by a governmental agency in the person's state of residence indicating that the person is a resident of that state. If a person who is required to present a motor vehicle operator's license or other identification card intends to transport the fireworks purchased directly out of this state by a motor vehicle and the person will not also be the operator of that motor vehicle while so transporting the fireworks, the operator of the motor vehicle also shall present the operator's motor vehicle operator's license.

(B) Each purchaser of fireworks under this section shall transport the fireworks so purchased directly out of this state within forty-eight hours after the time of their purchase.

This section regulates wholesale sales and retail sales of fireworks in this state only insofar as purchasers of fireworks are residents of other states and will be obtaining possession in this state of purchased fireworks. This section does not prohibit licensed manufacturers or wholesalers from selling fireworks, in accordance with section 3743.04 or sections 3743.17 and 3743.25 of the Revised Code, to a resident of another state and from shipping the purchased fireworks directly out of this state to the purchaser.
