

Ohio Revised Code

Section 4121.65 Employer may furnish rehabilitation services.

Effective: November 3, 1989

Legislation: House Bill 222 - 118th General Assembly

Employers who provide compensation and benefits pursuant to section 4123.35 of the Revised Code also may be granted authority to furnish rehabilitation services as long as the quality and content of the same is equal to or greater than that provided by the bureau of workers' compensation, and prior approval therefor has been given by the bureau.
