

Ohio Revised Code

Section 4141.43 Cooperation with federal, state, and other agencies.

Effective: July 1, 2000

Legislation: House Bill 471

- (A) The director of job and family services may cooperate with the industrial commission, the bureau of workers' compensation, the United States internal revenue service, the United States employment service, and other similar departments and agencies, as determined by the director, in the exchange or disclosure of information as to wages, employment, payrolls, unemployment, and other information. The director may employ, jointly with one or more of such agencies or departments, auditors, examiners, inspectors, and other employees necessary for the administration of this chapter and employment and training services for workers in the state.
- (B) The director may make the state's record relating to the administration of this chapter available to the railroad retirement board and may furnish the board at the board's expense such copies thereof as the board deems necessary for its purposes.
- (C) The director may afford reasonable cooperation with every agency of the United States charged with the administration of any unemployment compensation law.
- (D) The director may enter into arrangements with the appropriate agencies of other states or of the United States or Canada whereby individuals performing services in this and other states for a single employer under circumstances not specifically provided for in division (B) of section 4141.01 of the Revised Code or in similar provisions in the unemployment compensation laws of such other states shall be deemed to be engaged in employment performed entirely within this state or within one of such other states or within Canada, and whereby potential rights to benefits accumulated under the unemployment compensation laws of several states or under such a law of the United States, or both, or of Canada may constitute the basis for the payment of benefits through a single appropriate agency under terms that the director finds will be fair and reasonable as to all affected interests and will not result in any substantial loss to the unemployment compensation fund.
- (E) The director may enter into agreements with the appropriate agencies of other states or of the United States or Canada:

(1) Whereby services or wages upon the basis of which an individual may become entitled to benefits under the unemployment compensation law of another state or of the United States or Canada shall be deemed to be employment or wages for employment by employers for the purposes of qualifying claimants for benefits under this chapter, and the director may estimate the number of weeks of employment represented by the wages reported to the director for such claimants by such other agency, provided such other state agency or agency of the United States or Canada has agreed to reimburse the unemployment compensation fund for such portion of benefits paid under this chapter upon the basis of such services or wages as the director finds will be fair and reasonable as to all affected interests;

(2) Whereby the director will reimburse other state or federal or Canadian agencies charged with the administration of unemployment compensation laws with such reasonable portion of benefits, paid under the law of such other states or of the United States or of Canada upon the basis of employment or wages for employment by employers, as the director finds will be fair and reasonable as to all affected interests. Reimbursements so payable shall be deemed to be benefits for the purpose of section 4141.09 and division (A) of section 4141.30 of the Revised Code. However, no reimbursement so payable shall be charged against any employer's account for the purposes of section 4141.24 of the Revised Code if the employer's account, under the same or similar circumstances, with respect to benefits charged under the provisions of this chapter, other than this section, would not be charged or, if the claimant at the time the claimant files the combined wage claim cannot establish benefit rights under this chapter. This noncharging shall not be applicable to a nonprofit organization that has elected to make payments in lieu of contributions under section 4141.241 of the Revised Code, except as provided in division (D)(2) of section 4141.24 of the Revised Code. The director may make to other state or federal or Canadian agencies and receive from such other state or federal or Canadian agencies reimbursements from or to the unemployment compensation fund, in accordance with arrangements pursuant to this section.

(3) Notwithstanding division (B)(2)(f) of section 4141.01 of the Revised Code, the director may enter into agreements with other states whereby services performed for a crew leader, as defined in division (BB) of section 4141.01 of the Revised Code, may be covered in the state in which the crew leader either:

(a) Has the crew leader's place of business or from which the crew leader's business is operated or controlled;

(b) Resides if the crew leader has no place of business in any state.

(F) The director may apply for an advance to the unemployment compensation fund and do all things necessary or required to obtain such advance and arrange for the repayment of such advance in accordance with Title XII of the "Social Security Act" as amended.

(G) The director may enter into reciprocal agreements or arrangements with the appropriate agencies of other states in regard to services on vessels engaged in interstate or foreign commerce whereby such services for a single employer, wherever performed, shall be deemed performed within this state or within such other states.

(H) The director shall participate in any arrangements for the payment of compensation on the basis of combining an individual's wages and employment, covered under this chapter, with the individual's wages and employment covered under the unemployment compensation laws of other states which are approved by the United States secretary of labor in consultation with the state unemployment compensation agencies as reasonably calculated to assure the prompt and full payment of compensation in such situations and which include provisions for:

(1) Applying the base period of a single state law to a claim involving the combining of an individual's wages and employment covered under two or more state unemployment compensation laws, and

(2) Avoiding the duplicate use of wages and employment by reason of such combining.

(I) The director shall cooperate with the United States department of labor to the fullest extent consistent with this chapter, and shall take such action, through the adoption of appropriate rules, regulations, and administrative methods and standards, as may be necessary to secure to this state and its citizens all advantages available under the provisions of the "Social Security Act" that relate to unemployment compensation, the "Federal Unemployment Tax Act," (1970) 84 Stat. 713, 26 U.S.C.A. 3301 to 3311, the "Wagner-Peyser Act," (1933) 48 Stat. 113, 29 U.S.C.A. 49, and the
