(2) Grant or refuse permits for the manufacture, distribution, transportation, and sale of beer and intoxicating liquor and the sale of alcohol, as authorized or required by this chapter and Chapter 4303. of the Revised Code. A certificate, signed by the superintendent of liquor control and to which is affixed the official seal of the division, stating that it appears from the records of the division that no permit has been issued to the person specified in the certificate, or that a permit, if issued, has been revoked, canceled, or suspended, shall be received as prima-facie evidence of the facts recited in the certificate in any court or before any officer of this state.

(3) Put into operation, manage, and control a system of state liquor stores for the sale of spirituous liquor at retail and to holders of permits authorizing the sale of spirituous liquor; however, the division shall not establish any drive-in state liquor stores; and by means of those types of stores, and any manufacturing plants, distributing and bottling plants, warehouses, and other facilities that it considers expedient, establish and maintain a state monopoly of the distribution of spirituous liquor and its sale in packages or containers; and for that purpose, manufacture, buy, import, possess, and sell spirituous liquors as provided in this chapter and Chapter 4303. of the Revised Code, and in the rules promulgated by the superintendent of liquor control pursuant to those chapters; lease or in any manner acquire the use of any land or building required for any of those purposes; purchase any equipment that is required; and borrow money to carry on its business, and issue, sign, endorse, and accept notes, checks, and bills of exchange; but all obligations of the division created under authority of this division shall be a charge only upon the moneys received by the division from the sale of spirituous liquor and its other business transactions in connection with the sale of spirituous liquor, and shall not be general obligations of the state;

(4) Enforce the administrative provisions of this chapter and Chapter 4303. of the Revised Code, and the rules and orders of the liquor control commission and the superintendent relating to the manufacture, importation, transportation, distribution, and sale of beer or intoxicating liquor. The attorney general, any prosecuting attorney, and any prosecuting officer of a municipal corporation or a municipal court shall, at the request of the division of liquor control or the department of public safety, prosecute any person charged with the violation of any provision in those chapters or of any section of the Revised Code relating to the manufacture, importation, transportation, distribution, and sale of beer or intoxicating liquor.

(5) Determine the locations of all state liquor stores and manufacturing, distributing, and bottling plants required in connection with those stores, subject to this chapter and Chapter 4303. of the Revised Code;

(6) Conduct inspections of liquor permit premises to determine compliance with the administrative provisions of this chapter and Chapter 4303. of the Revised Code and the rules adopted under those provisions by the liquor control commission.

Except as otherwise provided in division (A)(6) of this section, those inspections may be conducted only during those hours in which the permit holder is open for business and only by authorized agents or employees of the division or by any peace officer, as defined in section 2935.01 of the Revised Code. Inspections may be conducted at other hours only to determine compliance with laws or commission rules that regulate the hours of sale of beer or intoxicating liquor and only if the investigator has reasonable cause to believe that those laws or rules are being violated. Any inspection conducted pursuant to division (A)(6) of this section is subject to all of the following requirements:

(a) The only property that may be confiscated is contraband, as defined in section 2901.01 of the Revised Code, or property that is otherwise necessary for evidentiary purposes.

(b) A complete inventory of all property confiscated from the premises shall be given to the permit holder or the permit holder's agent or employee by the confiscating agent or officer at the conclusion of the inspection. At that time, the inventory shall be signed by the confiscating agent or officer, and the agent or officer shall give the permit holder or the permit holder's agent or

employee the opportunity to sign the inventory.

(c) Inspections conducted pursuant to division (A)(6) of this section shall be conducted in a reasonable manner. A finding by any court of competent jurisdiction that an inspection was not conducted in a reasonable manner in accordance with this section or any rules adopted by the commission may be considered grounds for suppression of evidence. A finding by the commission that an inspection was not conducted in a reasonable manner in accordance with this section or any rules adopted by it may be considered grounds for dismissal of the commission case.

If any court of competent jurisdiction finds that property confiscated as the result of an administrative inspection is not necessary for evidentiary purposes and is not contraband, as defined in section 2901.01 of the Revised Code, the court shall order the immediate return of the confiscated property, provided that property is not otherwise subject to forfeiture, to the permit holder. However, the return of this property is not grounds for dismissal of the case. The commission likewise may order the return of confiscated property if no criminal prosecution is pending or anticipated.

(7) Delegate to any of its agents or employees any power of investigation that the division possesses with respect to the enforcement of any of the administrative laws relating to beer or intoxicating liquor, provided that this division does not authorize the division to designate any agent or employee to serve as an enforcement agent. Each supplier, agent, solicitor, trade marketing professional, or salesperson registration issued under this division shall authorize the person named to carry on the activity specified in the registration. Each agent, solicitor, trade marketing professional, or salesperson registration is valid for two years or for the unexpired portion of a two-year registration period. Each supplier registration is valid for one year or for the unexpired portion of a one-year registration period. Registrations shall end on their respective uniform expiration date, which shall be designated by the division, and are subject to suspension, revocation, cancellation, or fine as authorized by this chapter and Chapter 4303. of the Revised Code.

Those retail prices shall be the same at all state liquor stores, except to the extent that a price differential is required to collect a county sales tax levied pursuant to section 5739.021 of the Revised Code and for which tax the tax commissioner has authorized prepayment pursuant to section 5739.05 of the Revised Code. In fixing selling prices, the division shall compute an anticipated gross profit at least sufficient to provide in each calendar year all costs and expenses of the division and also an adequate working capital reserve for the division. The gross profit shall not exceed forty per cent of the retail selling price based on costs of the division, and in addition the sum required by section 4301.12 of the Revised Code to be paid into the state treasury.
