The liquor control commission may adopt, promulgate, repeal, rescind, and amend rules to regulate the manner of dealing in and distributing and selling bottled wine within the state. Any amendments, additions, alterations, or revisions to the schedule of prices as originally filed with the division shall be filed in the same manner as the original schedule of prices required to be filed with the division.

The commission may determine and fix the minimum mark-ups at wholesale or retail, or both, for bottled wine, and fix the minimum prices at which the various classes of bottled wine shall be distributed and sold in Ohio either at wholesale or retail, or both.
