Effective: July 23, 2004

Legislation: House Bill 306 - 125th General Assembly

The division of liquor control shall sell spirituous liquor only, whether from a warehouse or from a state liquor store or agency store. All sales shall be in sealed containers and for resale as authorized by this chapter and Chapter 4303. of the Revised Code or for consumption off the premises only. Except as otherwise provided in this section, sale of containers holding one-half pint or less of spirituous liquor by the division shall be made at retail only, and not for the purpose of resale by any purchaser, by special order placed with a state liquor store or agency store and subject to rules established by the superintendent of liquor control. The division may sell at wholesale spirituous liquor in fifty milliliter sealed containers to any holder of a permit issued under Chapter 4303. of the Revised Code that authorizes the sale of spirituous liquor for consumption on the premises where sold. A person appointed by the division to act as an agent for the sale of spirituous liquor pursuant to section 4301.17 of the Revised Code may provide and accept gift certificates and may accept credit cards and debit cards for the retail purchase of spirituous liquor. Deliveries shall be made in the manner the superintendent determines by rule.

If any person desires to purchase any variety or brand of spirituous liquor which is not in stock at the state liquor store or agency store where the variety or brand is ordered, the division shall immediately procure the variety or brand. The purchaser shall be immediately notified upon the arrival of the spirituous liquor at the store at which it was ordered. Unless the purchaser pays for the variety or brand and accepts delivery within five days after the giving of the notice, the division may place the spirituous liquor in stock for general sale.
