Permit H may be issued for a fee of three hundred dollars to a for-hire motor carrier who holds a license issued by the public utilities commission to transport beer, intoxicating liquor, and alcohol, or any of them, in this state for delivery or use in this state. This section does not prevent the division of liquor control from contracting with for-hire motor carriers for the delivery or transportation of liquor for the division, and any for-hire motor carrier so contracting with the division is eligible for an H permit. Carriers by rail shall receive an H permit upon application for it.

This section does not prevent the division from issuing, upon the payment of the permit fee, an H permit to any person, partnership, firm, or corporation licensed by any other state to engage in the business of manufacturing and brewing or producing beer, wine, and mixed beverages or any person, partnership, firm, or corporation licensed by the United States or any other state to engage in the business of importing beer, wine, and mixed beverages manufactured outside the United States. The manufacturer, brewer, or importer of products manufactured outside the United States, upon the issuance of an H permit, may transport, ship, and deliver only its own products to holders of B-1 or B-5 permits in Ohio in motor trucks and equipment owned and operated by such class H permit holder.
