Legislation: [Senate Bill 162](#)

(A)(1) Any repair garage or place of storage in which a motor vehicle with a value of less than three thousand five hundred dollars has been left unclaimed for fifteen days or more following completion of the requested repair or the agreed term of storage shall send a notice to remove the motor vehicle to the last known address of any owner and any lienholder of the motor vehicle. The repair garage or place of storage shall send the notice by certified or express mail with return receipt requested, by certified mail with electronic tracking, or by a commercial carrier service utilizing any form of delivery requiring a signed receipt. In order to identify any owner or lienholder, prior to sending a notice, the repair garage or place of storage shall cause a search to be made of the records of an applicable entity listed in division (F)(1) of section 4513.601 of the Revised Code. Any notice to a lienholder shall state where the motor vehicle is located and the value of the vehicle. If the person who requested the repair or who agreed to the storage of the motor vehicle is not the owner or a lienholder of the motor vehicle as indicated in the title records, the repair garage or place of storage also shall notify the sheriff of the county or the police department of the municipal corporation, township, port authority, or township or joint police district in which the repair garage or place of storage is located that the repair garage or place of storage is in possession of the vehicle.

(2) The repair garage or place of storage may obtain a certificate of title to the motor vehicle if all of the following apply:

(c) An agent of the repair garage or place of storage that sent the notice executes an affidavit, in a form established by the registrar of motor vehicles by rule, affirming that all of the requirements of

this section necessary to authorize the issuance of a certificate of title for the motor vehicle have been met. The affidavit shall set forth an itemized statement of the value of the motor vehicle; the length of time that the motor vehicle has remained unclaimed; that a notice to remove the vehicle has been sent to any titled owner or lienholder in a manner authorized by division (A)(1) of this section; and that a search of title records has been made in accordance with division (A)(1) of this section.

- (4) An agent of the towing service or storage facility executes an affidavit, in a form established by the registrar of motor vehicles by rule, affirming that all of the requirements of this section necessary to authorize the issuance of a certificate of title for the motor vehicle have been met. The affidavit shall set forth an itemized statement of the value of the motor vehicle; that notices to remove the vehicle have been sent to the owner and any lienholder as required under division (F) of section 4513.601 of the Revised Code; the length of time that the motor vehicle has remained unclaimed after the date the earliest notice required under division (F) of section 4513.601 of the Revised Code was received or the towing service or storage facility was notified that delivery was not possible; and that a search of the records of the applicable entity has been made for outstanding liens on the motor vehicle.
