

Ohio Revised Code

Section 4506.09 Rules for qualification and testing of applicants.

Effective: August 31, 2022

Legislation: House Bill 338

(A) The registrar of motor vehicles, subject to approval by the director of public safety, shall adopt rules conforming with applicable standards adopted by the federal motor carrier safety administration as regulations under Pub. L. No. 103-272, 108 Stat. 1014 to 1029 (1994), 49 U.S.C.A. 31301 to 31317. The rules shall establish requirements for the qualification and testing of persons applying for a commercial driver's license, which are in addition to other requirements established by this chapter. Except as provided in division (B) of this section, the highway patrol or any other employee of the department of public safety the registrar authorizes shall supervise and conduct the testing of persons applying for a commercial driver's license.

(B) The director may adopt rules, in accordance with Chapter 119. of the Revised Code and applicable requirements of the federal motor carrier safety administration, authorizing the skills test specified in this section to be administered by any person, by an agency of this or another state, or by an agency, department, or instrumentality of local government. Each party authorized under this division to administer the skills test may charge a maximum divisible fee of one hundred fifteen dollars for each skills test given as part of a commercial driver's license examination. The fee shall consist of not more than twenty-seven dollars for the pre-trip inspection portion of the test, not more than twenty-seven dollars for the off-road maneuvering portion of the test, and not more than sixty-one dollars for the on-road portion of the test. Each such party may require an appointment fee in the same manner provided in division (E)(2) of this section, except that the maximum amount such a party may require as an appointment fee is one hundred fifteen dollars. The skills test administered by another party under this division shall be the same as otherwise would be administered by this state. The other party shall enter into an agreement with the director that, without limitation, does all of the following:

(1) Allows the director or the director's representative and the federal motor carrier safety administration or its representative to conduct random examinations, inspections, and audits of the other party, whether covert or overt, without prior notice;

- (2) Requires the director or the director's representative to conduct on-site inspections of the other party at least annually;

- (3) Requires that all examiners of the other party meet the same qualification and training standards as examiners of the department of public safety, including criminal background checks, to the extent necessary to conduct skills tests in the manner required by 49 C.F.R. 383.110 through 383.135. In accordance with federal guidelines, any examiner employed on July 1, 2017, shall have a criminal background check conducted at least once, and any examiner hired after July 1, 2015, shall have a criminal background check conducted after the examiner is initially hired.

- (4) Requires either that state employees take, at least annually and as though the employees were test applicants, the tests actually administered by the other party, that the director test a sample of drivers who were examined by the other party to compare the test results, or that state employees accompany a test applicant during an actual test;

- (5) Unless the other party is a governmental entity, requires the other party to initiate and maintain a bond in an amount determined by the director to sufficiently pay for the retesting of drivers in the event that the other party or its skills test examiners are involved in fraudulent activities related to skills testing;

- (6) Requires the other party to use only skills test examiners who have successfully completed a commercial driver's license examiner training course as prescribed by the director, and have been certified by the state as a commercial driver's license skills test examiner qualified to administer skills tests;

- (7) Requires the other party to use designated road test routes that have been approved by the director;

- (8) Requires the other party to submit a schedule of skills test appointments to the director not later than two business days prior to each skills test;

- (9) Requires the other party to maintain copies of the following records at its principal place of business:

- (a) The other party's commercial driver's license skills testing program certificate;
 - (b) Each skills test examiner's certificate of authorization to administer skills tests for the classes and types of commercial motor vehicles listed in the certificate;
 - (c) Each completed skills test scoring sheet for the current calendar year as well as the prior two calendar years;
 - (d) A complete list of the test routes that have been approved by the director;
 - (e) A complete and accurate copy of each examiner's training record.
- (10) If the other party also is a driver training school, prohibits its skills test examiners from administering skills tests to applicants that the examiner personally trained;
- (11) Requires each skills test examiner to administer a complete skills test to a minimum of thirty-two different individuals per calendar year;
- (12) Reserves to this state the right to take prompt and appropriate remedial action against the other party and its skills test examiners if the other party or its skills test examiners fail to comply with standards of this state or federal standards for the testing program or with any other terms of the contract.
- (C) The director shall enter into an agreement with the department of education authorizing the skills test specified in this section to be administered by the department at any location operated by the department for purposes of training and testing school bus drivers, provided that the agreement between the director and the department complies with the requirements of division (B) of this section. Skills tests administered by the department shall be limited to persons applying for a commercial driver's license with a school bus endorsement.
- (D)(1) The director shall adopt rules, in accordance with Chapter 119. of the Revised Code, authorizing waiver of the skills test specified in this section for any applicant for a commercial

driver's license who meets all of the following requirements:

(a) As authorized under 49 C.F.R. 383.77, the applicant operates a commercial motor vehicle for military purposes and is one of the following:

(i) Active duty military personnel;

(ii) A member of the military reserves;

(iii) A member of the national guard on active duty, including full-time national guard duty, part-time national guard training, and national guard military technicians;

(iv) Active duty U.S. coast guard personnel.

(b) The applicant certifies that, during the two-year period immediately preceding application for a commercial driver's license, all of the following apply:

(i) The applicant has not had more than one license, excluding any military license.

(ii) The applicant has not had any license suspended, revoked, or canceled.

(iii) The applicant has not had any convictions for any type of motor vehicle for the offenses for which disqualification is prescribed in section 4506.16 of the Revised Code.

(iv) The applicant has not had more than one conviction for any type of motor vehicle for a serious traffic violation.

(v) The applicant has not had any violation of a state or local law relating to motor vehicle traffic control other than a parking violation arising in connection with any traffic accident and has no record of an accident in which the applicant was at fault.

(c) In accordance with rules adopted by the director, the applicant certifies and also provides evidence of all of the following:

(i) That the applicant is or was regularly employed in a military position requiring operation of a commercial motor vehicle;

(ii) That the applicant was exempt from the requirements of this chapter under division (B)(6) of section 4506.03 of the Revised Code;

(iii) That, for at least two years immediately preceding the date of application or at least two years immediately preceding the date the applicant separated from military service or employment, the applicant regularly operated a vehicle representative of the commercial motor vehicle type that the applicant operates or expects to operate.

(2) The waiver established under division (D)(1) of this section does not apply to United States reserve technicians.

(E)(1) The department of public safety may charge and collect a divisible fee of fifty dollars for each skills test given as part of a commercial driver's license examination. The fee shall consist of ten dollars for the pre-trip inspection portion of the test, ten dollars for the off-road maneuvering portion of the test, and thirty dollars for the on-road portion of the test.

(2) No applicant is eligible to take the skills test until a minimum of fourteen days have elapsed since the initial issuance of a commercial driver's license temporary instruction permit to the applicant. The director may require an applicant for a commercial driver's license who schedules an appointment with the highway patrol or other authorized employee of the department of public safety to take all portions of the skills test and to pay an appointment fee of fifty dollars at the time of scheduling the appointment. If the applicant appears at the time and location specified for the appointment and takes all portions of the skills test during that appointment, the appointment fee serves as the skills test fee. If the applicant schedules an appointment to take all portions of the skills test and fails to appear at the time and location specified for the appointment, the director shall not refund any portion of the appointment fee. If the applicant schedules an appointment to take all portions of the skills test and appears at the time and location specified for the appointment, but declines or is unable to take all portions of the skills test, the director shall not refund any portion of the appointment fee. If the applicant cancels a scheduled appointment forty-eight hours or more prior

to the time of the appointment time, the applicant shall not forfeit the appointment fee.

An applicant for a commercial driver's license who schedules an appointment to take one or more, but not all, portions of the skills test is required to pay an appointment fee equal to the costs of each test scheduled, as prescribed in division (E)(1) of this section, when scheduling such an appointment. If the applicant appears at the time and location specified for the appointment and takes all the portions of the skills test during that appointment that the applicant was scheduled to take, the appointment fee serves as the skills test fee. If the applicant schedules an appointment to take one or more, but not all, portions of the skills test and fails to appear at the time and location specified for the appointment, the director shall not refund any portion of the appointment fee. If the applicant schedules an appointment to take one or more, but not all, portions of the skills test and appears at the time and location specified for the appointment, but declines or is unable to take all portions of the skills test that the applicant was scheduled to take, the director shall not refund any portion of the appointment fee. If the applicant cancels a scheduled appointment forty-eight hours or more prior to the time of the appointment time, the applicant shall not forfeit the appointment fee.

(3) The department of public safety shall deposit all fees it collects under division (E) of this section in the public safety - highway purposes fund established in section 4501.06 of the Revised Code.

(F)(1) Unless an applicant for a commercial driver's license has successfully completed the training required under 49 C.F.R. 380, subpart F, the applicant is not eligible to do any of the following:

- (a) Take the skills test required for initial issuance of a class A or a class B commercial driver's license;
- (b) Take the skills test required for initial issuance of a passenger (P) or school bus (S) endorsement on the applicant's commercial driver's license;
- (c) Take the knowledge test required for initial issuance of a hazardous materials (H) endorsement on the applicant's commercial driver's license.

Before an applicant takes the applicable skills or knowledge test, the registrar shall electronically verify, through the federal motor carrier safety administration's training provider registry, that an

applicant has completed the required training under 49 C.F.R. 380, subpart F.

(2) The training required under 49 C.F.R. 380, subpart F, and under division (F)(1) of this section may be provided by either of the following:

(a) A driver training school pursuant to section 4508.031 of the Revised Code;

(b) An authorized driver training provider listed on the federal motor carrier safety administration's training provider registry.

(G) A person who has successfully completed commercial driver's license training in this state but seeks a commercial driver's license in another state where the person is domiciled may schedule an appointment to take the skills test in this state and shall pay the appropriate appointment fee. Upon the person's completion of the skills test, this state shall electronically transmit the applicant's results to the state where the person is domiciled. If a person who is domiciled in this state takes a skills test in another state, this state shall accept the results of the skills test from the other state. If the person passed the other state's skills test and meets all of the other licensing requirements set forth in this chapter and rules adopted under this chapter, the registrar of motor vehicles or a deputy registrar shall issue a commercial driver's license to that person.

(H) Unless otherwise specified, the director or the director's representative shall conduct the examinations, inspections, audits, and test monitoring set forth in divisions (B)(2),(3), and (4) of this section at least annually. If the other party or any of its skills test examiners fail to comply with state or federal standards for the skills testing program, the director or the director's representative shall take prompt and appropriate remedial action against the party and its skills test examiners. Remedial action may include termination of the agreement or revocation of a skills test examiner's certification.

(I) As used in this section, "skills test" means a test of an applicant's ability to drive the type of commercial motor vehicle for which the applicant seeks a commercial driver's license by having the applicant drive such a motor vehicle while under the supervision of an authorized state driver's license examiner or tester.
