The application also shall include, for an applicant who has not already certified the applicant's willingness to make an anatomical gift under section 2108.05 of the Revised Code, whether the applicant wishes to certify willingness to make such an anatomical gift and shall include information about the requirements of sections 2108.01 to 2108.29 of the Revised Code that apply to persons who are less than eighteen years of age. The statement regarding willingness to make such a donation shall be given no consideration in the decision of whether to issue an identification card. Each applicant shall be photographed in color at the time of making application.

(2)(a) The application also shall state whether the applicant has executed a valid durable power of attorney for health care pursuant to sections 1337.11 to 1337.17 of the Revised Code or has executed a declaration governing the use or continuation, or the withholding or withdrawal, of life-sustaining treatment pursuant to sections 2133.01 to 2133.15 of the Revised Code and, if the applicant has executed either type of instrument, whether the applicant wishes the identification card issued to indicate that the applicant has executed the instrument.

(b) On and after October 7, 2009, the application also shall state whether the applicant is a veteran, active duty, or reservist of the armed forces of the United States and, if the applicant is such, whether the applicant wishes the identification card issued to indicate that the applicant is a veteran, active duty, or reservist of the armed forces of the United States by a military designation on the identification card.

(3) The registrar or deputy registrar, in accordance with section 3503.11 of the Revised Code, shall register as an elector any person who applies for an identification card or duplicate if the applicant

is eligible and wishes to be registered as an elector. The decision of an applicant whether to register as an elector shall be given no consideration in the decision of whether to issue the applicant an identification card or duplicate.

(B) The application for an identification card or duplicate shall be filed in the office of the registrar or deputy registrar. Each applicant shall present documentary evidence as required by the registrar of the applicant's age and identity, and the applicant shall swear that all information given is true. All applications for an identification card or duplicate shall be filed in duplicate, and if submitted to a deputy registrar, a copy shall be forwarded to the registrar. The registrar shall prescribe rules for the manner in which a deputy registrar is to file and maintain applications and other records. The registrar shall maintain a suitable, indexed record of all applications denied and cards issued or canceled.

(C) In addition to any other information it contains, on and after the date that is fifteen months after April 7, 2009, the form furnished by the registrar of motor vehicles for an application for an identification card or duplicate shall inform applicants that the applicant must present a copy of the applicant's DD-214 or an equivalent document in order to qualify to have the card or duplicate indicate that the applicant is an honorably discharged veteran of the armed forces of the United States based on a request made pursuant to division (A)(2)(b) of this section.
