

## Ohio Revised Code

### Section 4511.132 Operation at intersections with malfunctioning traffic control signal lights.

Effective: April 30, 2017

Legislation: House Bill 9, House Bill 26 - 132nd General Assembly

---

(A) The driver of a vehicle, streetcar, or trackless trolley who approaches an intersection where traffic is controlled by traffic control signals shall do all of the following if the signal facing the driver exhibits no colored lights or colored lighted arrows, exhibits a combination of such lights or arrows that fails to clearly indicate the assignment of right-of-way, or, if the vehicle is a bicycle, the signals are otherwise malfunctioning due to the failure of a vehicle detector to detect the presence of the bicycle:

(1) Stop at a clearly marked stop line, but if none, stop before entering the crosswalk on the near side of the intersection, or, if none, stop before entering the intersection;

(2) Yield the right-of-way to all vehicles, streetcars, or trackless trolleys in the intersection or approaching on an intersecting road, if the vehicles, streetcars, or trackless trolleys will constitute an immediate hazard during the time the driver is moving across or within the intersection or junction of roadways;

(3) Exercise ordinary care while proceeding through the intersection.

(B) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If, within one year of the offense, the offender previously has been convicted of or pleaded guilty to one predicate motor vehicle or traffic offense, whoever violates this section is guilty of a misdemeanor of the fourth degree. If, within one year of the offense, the offender previously has been convicted of two or more predicate motor vehicle or traffic offenses, whoever violates this section is guilty of a misdemeanor of the third degree.
