In all cases, if it is not apparent which persons may park in the private tow-away zone, the owner shall include on the sign the address of the property on which the private tow-away zone is located or the name of the business that is located on the property designated as a private tow-away zone.

At any time, in order to comply with the requirements of division (B)(1) of this section, such a property owner may modify the existing sign by affixing to the existing sign stickers or an addendum in lieu of replacing the sign.

(b) It is well-lighted.

(c) It is on or within a reasonable distance of a regularly scheduled route of one or more modes of public transportation, if any public transportation is available in the municipal corporation or township in which the private tow-away zone is located.

(B)(1) If a vehicle is parked on private property that is established as a private tow-away zone in accordance with division (A) of this section, without the consent of the owner of the property or in violation of any posted parking condition or regulation, the owner may cause the removal of the vehicle by a towing service. The towing service shall remove the vehicle in accordance with this section. The vehicle owner and the operator of the vehicle are considered to have consented to the removal and storage of the vehicle, to the payment of the applicable fees established under division (G) of this section, and to the right of a towing service to obtain title to the vehicle if it remains unclaimed as provided in section 4505.101 of the Revised Code. The owner or lienholder of a vehicle that has been removed under this section, subject to division (C) of this section, may recover the vehicle in accordance with division (G) of this section.

Upon payment of that fee, the towing service shall give the vehicle owner or operator a receipt showing both the full amount normally assessed and the actual amount received and shall release the vehicle to the owner or operator. Upon its release, the owner or operator immediately shall move the vehicle so that the vehicle is not parked on the private property established as a private tow-away zone without the consent of the owner or in violation of any posted parking condition or regulation.

The towing service shall record the time and date of the photographs taken under this section.
