

Ohio Revised Code

Section 4519.03 Application for registration or renewal - fee.

Effective: July 3, 2012

Legislation: Senate Bill 179 - 129th General Assembly

(A) The owner of every snowmobile, off-highway motorcycle, and all-purpose vehicle required to be registered under section 4519.02 of the Revised Code shall file an application for registration with the registrar of motor vehicles or a deputy registrar, on blanks furnished by the registrar for that purpose and containing all of the following information:

(1) A brief description of the snowmobile, off-highway motorcycle, or all-purpose vehicle, including the year, make, model, and the vehicle identification number;

(2) The name, residence, and business address of the owner;

(3) A statement that the snowmobile, off-highway motorcycle, or all-purpose vehicle is equipped as required by section 4519.20 of the Revised Code and any rule adopted under that section. The statement shall include a check list of the required equipment items in the form the registrar shall prescribe.

The application shall be signed by the owner of the snowmobile, off-highway motorcycle, or all-purpose vehicle and shall be accompanied by a fee as provided in division (C) of section 4519.04 of the Revised Code.

If the application is not in proper form, or if the vehicle for which registration is sought does not appear to be equipped as required by section 4519.20 of the Revised Code or any rule adopted under that section, the registration shall be refused, and no registration sticker, license plate, or validation sticker shall be issued.

(B) No certificate of registration or renewal of a certificate of registration shall be issued for an off-highway motorcycle or all-purpose vehicle required to be registered under section 4519.02 of the Revised Code, and no certificate of registration issued under this chapter for an off-highway motorcycle or all-purpose vehicle that is sold or otherwise transferred shall be transferred to the new

owner of the off-highway motorcycle or all-purpose vehicle as permitted by division (B) of section 4519.05 of the Revised Code, unless a certificate of title has been issued under this chapter for the motorcycle or vehicle, and the owner or new owner, as the case may be, presents a physical certificate of title or memorandum certificate of title for inspection at the time the owner or new owner first submits a registration application, registration renewal application, or registration transfer application for the motorcycle or vehicle if a physical certificate of title or memorandum certificate has been issued by a clerk of a court of common pleas. If, under sections 4519.512 and 4519.58 of the Revised Code, a clerk instead has issued an electronic certificate of title for the applicant's off-highway motorcycle or all-purpose vehicle, that certificate may be presented for inspection at the time of first registration in a manner prescribed by rules adopted by the registrar.

(C) When the owner of an off-highway motorcycle or all-purpose vehicle first registers it in the owner's name, and a certificate of title has been issued for the motorcycle or vehicle, the owner shall present for inspection a physical certificate of title or memorandum certificate of title showing title to the off-highway motorcycle or all-purpose vehicle in the name of the owner if a physical certificate of title or memorandum certificate has been issued by a clerk of a court of common pleas. If, under sections 4519.512 and 4519.58 of the Revised Code, a clerk instead has issued an electronic certificate of title for the applicant's off-highway motorcycle or all-purpose vehicle, that certificate may be presented for inspection at the time of first registration in a manner prescribed by rules adopted by the registrar. If, when the owner of such an off-highway motorcycle or all-purpose vehicle first makes application to register it in the owner's name, the application is not in proper form or the certificate of title or memorandum certificate of title does not accompany the registration or, in the case of an electronic certificate of title is not presented in a manner prescribed by the registrar, the registration shall be refused, and neither a certificate of registration nor a registration sticker, license plate, or validation sticker shall be issued. When a certificate of registration and registration sticker, license plate, or validation sticker are issued upon the first registration of an off-highway motorcycle or all-purpose vehicle by or on behalf of the owner, the official issuing them shall indicate the issuance with a stamp on the certificate of title or memorandum certificate of title or, in the case of an electronic certificate of title, an electronic stamp or other notation as specified in rules adopted by the registrar.

(D) Each deputy registrar shall be allowed a fee of three dollars and fifty cents for each application or renewal application received by the deputy registrar, which shall be for the purpose of

compensating the deputy registrar for services, and office and rental expense, as may be necessary for the proper discharge of the deputy registrar's duties in the receiving of applications and the issuing of certificates of registration.

Each deputy registrar, upon receipt of any application for registration, together with the registration fee, shall transmit the fee, together with the original and duplicate copy of the application, to the registrar in the manner and at the times the registrar, subject to the approval of the director of public safety and the treasurer of state, shall prescribe by rule.
