Such procedures may include the submission of information by applicants for the purpose of obtaining an applicant's Background Check as defined herein;

10. Accept Licensees from other Member States as established herein.

B. Member States may charge a fee for granting a license to practice Cosmetology.

C. Individuals not residing in a Member State shall continue to be able to apply for a Member State's Single-State License as provided under the laws of each Member State. However, the Single-State License granted to these individuals shall not be recognized as granting a Multistate License to provide services in any other Member State.

D. Nothing in this Compact shall affect the requirements established by a Member State for the issuance of a Single-State License.

E. A Multistate License issued to a Licensee by a Home State to a resident of that State shall be recognized by each Member State as authorizing a Licensee to practice Cosmetology in each Member State.

F. At no point shall the Commission have the power to define the educational or professional requirements for a license to practice Cosmetology. The Member States shall retain sole jurisdiction over the provision of these requirements.

ARTICLE 4- MULTISTATE LICENSE

A. To be eligible to apply to their Home State's State Licensing Authority for an initial Multistate License under this Compact, a Licensee must hold an active and unencumbered Single-State License to practice Cosmetology in their Home State.

B. Upon the receipt of an application for a Multistate License, according to the Rules of the

Commission, a Member State's State Licensing Authority shall ascertain whether the applicant meets the requirements for a Multistate License under this Compact.

C. If an applicant meets the requirements for a Multistate License under this Compact and any applicable Rules of the Commission, the State Licensing Authority in receipt of the application shall, within a reasonable time, grant a Multistate License to that applicant, and inform all Member States of the grant of said Multistate License.

D. A Multistate License to practice Cosmetology issued by a Member State's State Licensing Authority shall be recognized by each Member State as authorizing the practice thereof as though that Licensee held a Single-State License to do so in each Member State, subject to the restrictions herein.

E. A Multistate License granted pursuant to this Compact may be effective for a definite period of time, concurrent with the licensure renewal period in the Home State.

F. To maintain a Multistate License under this Compact, a Licensee must:

the Member State in which the Cosmetology Services are provided.

ARTICLE 5- REISSUANCE OF A MULTISTATE LICENSE BY A NEW HOME STATE

A. A Licensee may hold a Multistate License, issued by their Home State, in only one Member State at any given time.

B. If a Licensee changes their Home State by moving between two Member States:

1. The Licensee shall immediately apply for the reissuance of their Multistate License in their new Home State. The Licensee shall pay all applicable fees and notify the prior Home State in accordance with the Rules of the Commission.

2. Upon receipt of an application to reissue a Multistate License, the new Home State shall verify that the Multistate License is active, unencumbered and eligible for reissuance under the terms of the Compact and the Rules of the Commission. The Multistate License issued by the prior Home State will be deactivated and all Member States notified in accordance with the applicable Rules adopted by the Commission.

3. If required for initial licensure, the new Home State may require a Background Check as specified in the laws of that State, or the compliance with any Jurisprudence Requirements of the new Home State.

4. Notwithstanding any other provision of this Compact, if a Licensee does not meet the requirements set forth in this Compact for the reissuance of a Multistate License by the new Home State, then the Licensee shall be subject to the new Home State requirements for the issuance of a Single-State License in that State.

C. If a Licensee changes their primary state of residence by moving from a Member State to a non-Member State, or from a non-Member State to a Member State, then the Licensee shall be subject to the State requirements for the issuance of a Single-State License in the new Home State.

D. Nothing in this Compact shall interfere with a Licensee's ability to hold a Single-State License in

multiple States; however, for the purposes of this Compact, a Licensee shall have only one Home State, and only one Multistate License.

E. Nothing in this Compact shall interfere with the requirements established by a Member State for the issuance of a Single-State License.

ARTICLE 6- AUTHORITY OF THE COMPACT COMMISSION AND MEMBER STATE LICENSING AUTHORITIES

A. Nothing in this Compact, nor any Rule or regulation of the Commission, shall be construed to limit, restrict, or in any way reduce the ability of a Member State to enact and enforce laws, regulations, or other rules related to the Practice of Cosmetology in that State, where those laws, regulations, or other rules are not inconsistent with the provisions of this Compact.

B. Insofar as practical, a Member State's State Licensing Authority shall cooperate with the Commission and with each entity exercising independent regulatory authority over the Practice of Cosmetology according to the provisions of this Compact.

C. Discipline shall be the sole responsibility of the State in which Cosmetology Services are provided. Accordingly, each Member State's State Licensing Authority shall be responsible for receiving complaints about individuals practicing Cosmetology in that State, and for communicating all relevant Investigative Information about any such Adverse Action to the other Member States through the Data System in addition to any other methods the Commission may by Rule require.

ARTICLE 7- ADVERSE ACTIONS

A. A Licensee's Home State shall have exclusive power to impose an Adverse Action against a Licensee's Multistate License issued by the Home State.

B. A Home State may take Adverse Action on a Multistate License based on the Investigative Information, Current Significant Investigative Information, or Adverse Action of a Remote State.

C. In addition to the powers conferred by State law, each Remote State's State Licensing Authority

shall have the power to:

1. Take Adverse Action against a Licensee's Authorization to Practice Cosmetology through the Multistate License in that Member State, provided that:
 - a. Only the Licensee's Home State shall have the power to take Adverse Action against the Multistate License issued by the Home State; and
 - b. For the purposes of taking Adverse Action, the Home State's State Licensing Authority shall give the same priority and effect to reported conduct received from a Remote State as it would if such conduct had occurred within the Home State. In so doing, the Home State shall apply its own State laws to determine the appropriate action.
2. Issue cease and desist orders or impose an Encumbrance on a Licensee's Authorization to Practice within that Member State.
3. Complete any pending investigations of a Licensee who changes their primary state of residence during the course of such an investigation. The State Licensing Authority shall also be empowered to report the results of such an investigation to the Commission through the Data System as described herein.
4. Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses, as well as the production of evidence. Subpoenas issued by a State Licensing Authority in a Member State for the attendance and testimony of witnesses or the production of evidence from another Member State shall be enforced in the latter State by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings before it. The issuing State Licensing Authority shall pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the State in which the witnesses or evidence are located.
5. If otherwise permitted by State law, recover from the affected Licensee the costs of investigations and disposition of cases resulting from any Adverse Action taken against that Licensee.

6. Take Adverse Action against the Licensee's Authorization to Practice in that State based on the factual findings of another Remote State.

D. A Licensee's Home State shall complete any pending investigation(s) of a Cosmetologist who changes their primary state of residence during the course of the investigation(s). The Home State shall also have the authority to take appropriate action(s) and shall promptly report the conclusions of the investigations to the Data System.

E. If an Adverse Action is taken by the Home State against a Licensee's Multistate License, the Licensee's Authorization to Practice in all other Member States shall be deactivated until all Encumbrances have been removed from the Home State license. All Home State disciplinary orders that impose an Adverse Action against a Licensee's Multistate License shall include a statement that the Cosmetologist's Authorization to Practice is deactivated in all Member States during the pendency of the order.

F. Nothing in this Compact shall override a Member State's authority to accept a Licensee's participation in an Alternative Program in lieu of Adverse Action. A Licensee's Multistate License shall be suspended for the duration of the Licensee's participation in any Alternative Program.

G. Joint Investigations

1. In addition to the authority granted to a Member State by its respective scope of practice laws or other applicable State law, a Member State may participate with other Member States in joint investigations of Licensees.

2. Member States shall share any investigative, litigation, or compliance materials in furtherance of any joint or individual investigation initiated under the Compact.

ARTICLE 8- ACTIVE MILITARY MEMBERS AND THEIR SPOUSES

Active Military Members, or their spouses, shall designate a Home State where the individual has a current license to practice Cosmetology in good standing. The individual may retain their Home State designation during any period of service when that individual or their spouse is on active duty

assignment.

The Commission shall defend any member, officer, executive director, employee, and representative of the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or as determined by the Commission that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining their own counsel at their own expense; and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

ARTICLE 11- RULEMAKING

A. The Commission shall promulgate reasonable Rules in order to effectively and efficiently implement and administer the purposes and provisions of the Compact. A Rule shall be invalid and have no force or effect only if a court of competent jurisdiction holds that the Rule is invalid because the Commission exercised its rulemaking authority in a manner that is beyond the scope and purposes of the Compact, or the powers granted hereunder, or based upon another applicable standard of review.

B. The Rules of the Commission shall have the force of law in each Member State, provided however that where the Rules of the Commission conflict with the laws of the Member State that establish the Member State's scope of practice laws governing the Practice of Cosmetology as held by a court of competent jurisdiction, the Rules of the Commission shall be ineffective in that State to the extent of the conflict.

C. The Commission shall exercise its rulemaking powers pursuant to the criteria set forth in this Article and the Rules adopted thereunder. Rules shall become binding as of the date specified by the Commission for each Rule.

D. If a majority of the legislatures of the Member States rejects a Rule or portion of a Rule, by enactment of a statute or resolution in the same manner used to adopt the Compact within four (4) years of the date of adoption of the Rule, then such Rule shall have no further force and effect in any Member State or to any State applying to participate in the Compact.

E. Rules shall be adopted at a regular or special meeting of the Commission.

F. Prior to adoption of a proposed Rule, the Commission shall hold a public hearing and allow persons to provide oral and written comments, data, facts, opinions, and arguments.

G. Prior to adoption of a proposed Rule by the Commission, and at least thirty (30) days in advance of the meeting at which the Commission will hold a public hearing on the proposed Rule, the Commission shall provide a notice of proposed rulemaking:

1. On the website of the Commission or other publicly accessible platform;
2. To persons who have requested notice of the Commission's notices of proposed rulemaking, and
3. In such other way(s) as the Commission may by Rule specify.

H. The notice of proposed rulemaking shall include:

1. The time, date, and location of the public hearing at which the Commission will hear public comments on the proposed Rule and, if different, the time, date, and location of the meeting where the Commission will consider and vote on the proposed Rule;
 2. If the hearing is held via telecommunication, video conference, or other electronic means, the Commission shall include the mechanism for access to the hearing in the notice of proposed rulemaking;
 3. The text of the proposed Rule and the reason therefor;
 4. A request for comments on the proposed Rule from any interested person; and
 5. The manner in which interested persons may submit written comments.
- I. All hearings will be recorded. A copy of the recording and all written comments and documents received by the Commission in response to the proposed Rule shall be available to the public.
- J. Nothing in this Article shall be construed as requiring a separate hearing on each Rule. Rules may be grouped for the convenience of the Commission at hearings required by this Article.
- K. The Commission shall, by majority vote of all members, take final action on the proposed Rule based on the rulemaking record and the full text of the Rule.
1. The Commission may adopt changes to the proposed Rule provided the changes do not enlarge the original purpose of the proposed Rule.
 2. The Commission shall provide an explanation of the reasons for substantive changes made to the proposed Rule as well as reasons for substantive changes not made that were recommended by commenters.
 3. The Commission shall determine a reasonable effective date for the Rule. Except for an emergency as provided in Article 11.L, the effective date of the Rule shall be no sooner than forty-five (45) days after the Commission issuing the notice that it adopted or amended the Rule.

L. Upon determination that an emergency exists, the Commission may consider and adopt an emergency Rule with five (5) days' notice, with opportunity to comment, provided that the usual rulemaking procedures provided in the Compact and in this Article shall be retroactively applied to the Rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the Rule. For the purposes of this provision, an emergency Rule is one that must be adopted immediately to:

1. Meet an imminent threat to public health, safety, or welfare;
2. Prevent a loss of Commission or Member State funds;
3. Meet a deadline for the promulgation of a Rule that is established by federal law or rule; or
4. Protect public health and safety.

M. The Commission or an authorized committee of the Commission may direct revisions to a previously adopted Rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a Rule. A challenge shall be made in writing and delivered to the Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

N. No Member State's rulemaking requirements shall apply under this Compact.

ARTICLE 12- OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

A. Oversight

1. The executive and judicial branches of State government in each Member State shall enforce this

Compact and take all actions necessary and appropriate to implement the Compact.

2. Venue is proper and judicial proceedings by or against the Commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the Commission is located. The Commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a Licensee for professional malpractice, misconduct or any such similar matter.

3. The Commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the Compact and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the Commission service of process shall render a judgment or order void as to the Commission, this Compact, or promulgated Rules.

B. Default, Technical Assistance, and Termination

1. If the Commission determines that a Member State has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated Rules, the Commission shall provide written notice to the defaulting State. The notice of default shall describe the default, the proposed means of curing the default, and any other action that the Commission may take, and shall offer training and specific technical assistance regarding the default.

2. The Commission shall provide a copy of the notice of default to the other Member States.

3. If a State in default fails to cure the default, the defaulting State may be terminated from the Compact upon an affirmative vote of a majority of the delegates of the Member States, and all rights, privileges and benefits conferred on that State by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending State of obligations or liabilities incurred during the period of default.

4. Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the governor, the majority and minority leaders of the defaulting State's

legislature, the defaulting State's State Licensing Authority and each of the Member States' State Licensing Authority.

5. A State that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

6. Upon the termination of a State's membership from this Compact, that State shall immediately provide notice to all Licensees who hold a Multistate License within that State of such termination. The terminated State shall continue to recognize all licenses granted pursuant to this Compact for a minimum of one hundred eighty (180) days after the date of said notice of termination.

7. The Commission shall not bear any costs related to a State that is found to be in default or that has been terminated from the Compact, unless agreed upon in writing between the Commission and the defaulting State.

8. The defaulting State may appeal the action of the Commission by petitioning the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

C. Dispute Resolution

1. Upon request by a Member State, the Commission shall attempt to resolve disputes related to the Compact that arise among Member States and between Member and non-Member States.

2. The Commission shall promulgate a Rule providing for both mediation and binding dispute resolution for disputes as appropriate.

D. Enforcement

1. The Commission, in the reasonable exercise of its discretion, shall enforce the provisions of this Compact and the Commission's Rules.

2. By majority vote as provided by Commission Rule, the Commission may initiate legal action against a Member State in default in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices to enforce compliance with the provisions of the Compact and its promulgated Rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees. The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or the defaulting Member State's law.

3. A Member State may initiate legal action against the Commission in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices to enforce compliance with the provisions of the Compact and its promulgated Rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

4. No individual or entity other than a Member State may enforce this Compact against the Commission.

ARTICLE 13- EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT

A. The Compact shall come into effect on the date on which the Compact statute is enacted into law in the seventh Member State.

1. On or after the effective date of the Compact, the Commission shall convene and review the enactment of each of the Charter Member States to determine if the statute enacted by each such Charter Member State is materially different than the model Compact statute.

a. A Charter Member State whose enactment is found to be materially different from the model Compact statute shall be entitled to the default process set forth in Article 12.

b. If any Member State is later found to be in default, or is terminated or withdraws from the

Compact, the Commission shall remain in existence and the Compact shall remain in effect even if the number of Member States should be less than seven (7).

2. Member States enacting the Compact subsequent to the Charter Member States shall be subject to the process set forth in Article 9.C.24 to determine if their enactments are materially different from the model Compact statute and whether they qualify for participation in the Compact.

3. All actions taken for the benefit of the Commission or in furtherance of the purposes of the administration of the Compact prior to the effective date of the Compact or the Commission coming into existence shall be considered to be actions of the Commission unless specifically repudiated by the Commission.

4. Any State that joins the Compact shall be subject to the Commission's Rules and bylaws as they exist on the date on which the Compact becomes law in that State. Any Rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that State.

B. Any Member State may withdraw from this Compact by enacting a statute repealing that State's enactment of the Compact.

1. A Member State's withdrawal shall not take effect until one hundred eighty (180) days after enactment of the repealing statute.

2. Withdrawal shall not affect the continuing requirement of the withdrawing State's State Licensing Authority to comply with the investigative and Adverse Action reporting requirements of this Compact prior to the effective date of withdrawal.

3. Upon the enactment of a statute withdrawing from this Compact, a State shall immediately provide notice of such withdrawal to all Licensees within that State. Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing State shall continue to recognize all licenses granted pursuant to this Compact for a minimum of one hundred eighty (180) days after the date of such notice of withdrawal.

C. Nothing contained in this Compact shall be construed to invalidate or prevent any licensure agreement or other cooperative arrangement between a Member State and a non-Member State that does not conflict with the provisions of this Compact.

D. This Compact may be amended by the Member States. No amendment to this Compact shall become effective and binding upon any Member State until it is enacted into the laws of all Member States.

ARTICLE 14- CONSTRUCTION AND SEVERABILITY

A. This Compact and the Commission's rulemaking authority shall be liberally construed so as to effectuate the purposes, and the implementation and administration of the Compact. Provisions of the Compact expressly authorizing or requiring the promulgation of Rules shall not be construed to limit the Commission's rulemaking authority solely for those purposes.

B. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is held by a court of competent jurisdiction to be contrary to the constitution of any Member State, a State seeking participation in the Compact, or of the United States, or the applicability thereof to any government, agency, person or circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this Compact and the applicability thereof to any other government, agency, person or circumstance shall not be affected thereby.

C. Notwithstanding Article 14.B, the Commission may deny a State's participation in the Compact or, in accordance with the requirements of Article 12, terminate a Member State's participation in the Compact, if it determines that a constitutional requirement of a Member State is a material departure from the Compact. Otherwise, if this Compact shall be held to be contrary to the constitution of any Member State, the Compact shall remain in full force and effect as to the remaining Member States and in full force and effect as to the Member State affected as to all severable matters.

ARTICLE 15- CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS

A. Nothing herein shall prevent or inhibit the enforcement of any other law of a Member State that is

not inconsistent with the Compact.

B. Any laws, statutes, regulations, or other legal requirements in a Member State in conflict with the Compact are superseded to the extent of the conflict.

C. All permissible agreements between the Commission and the Member States are binding in accordance with their terms.
