

Ohio Revised Code

Section 4723.489 Delegated authority to administer drugs.

Effective: October 15, 2015

Legislation: Senate Bill 110 - 131st General Assembly

A person not otherwise authorized to administer drugs may administer a drug to a specified patient if all of the following conditions are met:

- (A) The authority to administer the drug is delegated to the person by an advanced practice registered nurse who is a clinical nurse specialist, certified nurse-midwife, or certified nurse practitioner and holds a certificate to prescribe issued under section 4723.48 of the Revised Code.
 - (B) The drug is listed in the formulary established in rules adopted under section 4723.50 of the Revised Code but is not a controlled substance and is not to be administered intravenously.
 - (C) The drug is to be administered at a location other than a hospital inpatient care unit, as defined in section 3727.50 of the Revised Code; a hospital emergency department or a freestanding emergency department; or an ambulatory surgical facility, as defined in section 3702.30 of the Revised Code.
 - (D) The person has successfully completed education based on a recognized body of knowledge concerning drug administration and demonstrates to the person's employer the knowledge, skills, and ability to administer the drug safely.
 - (E) The person's employer has given the advanced practice registered nurse access to documentation, in written or electronic form, showing that the person has met the conditions specified in division (D) of this section.
 - (F) The advanced practice registered nurse is physically present at the location where the drug is administered.
