

## Ohio Revised Code

### Section 4723.64 Administration of medications by medication aides.

Effective: March 20, 2013

Legislation: House Bill 303 - 129th General Assembly

---

A nursing home or residential care facility may use one or more medication aides to administer prescription medications to its residents, subject to both of the following conditions:

- (A) Each individual used as a medication aide must hold a current, valid medication aide certificate issued by the board of nursing under this chapter.
  
  - (B) The nursing home or residential care facility shall ensure that the requirements of section 4723.67 of the Revised Code are met.
-
