

Ohio Revised Code

Section 4725.18 Endorsement.

Effective: April 6, 2023

Legislation: House Bill 509 - 134th General Assembly

(A) The state vision professionals board may issue a certificate of licensure by endorsement to an individual licensed as an optometrist by another state or a Canadian province if the board determines that the other state or province has standards for the practice of optometry that are at least as stringent as the standards established under sections 4725.01 to 4725.34 of the Revised Code and the individual meets the conditions specified in division (B) of this section. The certificate of licensure may be issued only by an affirmative vote of a majority of the board's members.

(B) An individual seeking a certificate of licensure pursuant to this section shall submit an application to the board. To receive the certificate of licensure, an applicant must meet all of the following conditions:

(1) Meet the same qualifications that an individual must meet under divisions (B)(1) to (3) of section 4725.12 of the Revised Code to receive a certificate of licensure under that section;

(2) Be licensed to practice optometry by a state or province that requires passage of a written, entry-level examination at the time of initial licensure;

(3) Be licensed in good standing by the optometry licensing agency of the other state or province, evidenced by submission of a letter from the licensing agency of the other state or province attesting to the applicant's good standing;

(4) Provide the board with certified reports from the optometry licensing agencies of all states and provinces in which the applicant is licensed or has been licensed to practice optometry describing all past and pending actions taken by those agencies with respect to the applicant's authority to practice optometry in those jurisdictions, including such actions as investigations, entering into consent agreements, suspensions, revocations, and refusals to issue or renew a license;

(5) Have been actively engaged in the practice of optometry, including the use of therapeutic

pharmaceutical agents, for at least three years immediately preceding making application under this section;

(6) Pay the nonrefundable application fee established under section 4725.34 of the Revised Code for a certificate of licensure;

(7) Submit all transcripts, reports, or other information the board requires;

(8) Participate in a two-hour instruction session provided by the board on the optometry statutes and rules of this state or pass an Ohio optometry jurisprudence test administered by the board;

(9) Pass all or part of the licensing examination accepted by the board under section 4725.11 of the Revised Code, if the board determines that testing is necessary to determine whether the applicant's qualifications are sufficient for issuance of a certificate of licensure under this section;

(10) Not have been previously denied issuance of a certificate of licensure by the board.
