

Ohio Revised Code

Section 4725.411 Dispensing prepackaged soft contact lenses.

Effective: March 23, 2015

Legislation: House Bill 258 - 130th General Assembly

Beginning January 1, 2016, a licensed spectacle dispensing optician may dispense prepackaged soft contact lenses if the only action necessary is to match the description of the contact lenses that is on the packaging to a written prescription.
