

Ohio Revised Code

Section 4729.59 Maintenance of register and roster of licensees.

Effective: July 22, 1998

Legislation: Senate Bill 66 - 122nd General Assembly

The executive director of the state board of pharmacy shall maintain a register of the names, addresses, and the date of registration of those persons to whom a registration certificate has been issued pursuant to section 4729.52 of the Revised Code and those persons to whom a license has been issued pursuant to section 4729.54 of the Revised Code. The register shall be the property of the board and shall be open for public examination and inspection at all reasonable times, as the board may direct.

The board shall publish or make available to registered wholesale distributors and licensed terminal distributors of dangerous drugs, annually, and at such other times and in such manner as the board shall prescribe, a roster setting forth the names and addresses of those persons who have been registered by the board pursuant to section 4729.52 of the Revised Code and those persons who have been licensed pursuant to section 4729.54 of the Revised Code, those persons whose licenses or registration certificates have been suspended, revoked, or surrendered, and those persons whose licenses or registration certificates have not been renewed.

A written statement signed and verified by the executive director of the board in which it is stated that after diligent search of the register no record or entry of the issuance of a license or registration certificate to a person is found is admissible in evidence and constitutes presumptive evidence of the fact that the person is not a licensed terminal distributor or is not a registered wholesale distributor of dangerous drugs.
