

Ohio Revised Code

Section 4729.82 Retention and purging of drug database information.

Effective: September 29, 2015

Legislation: House Bill 64 - 131st General Assembly

If the state board of pharmacy establishes a drug database pursuant to section 4729.75 of the Revised Code, the information collected for the database shall be retained in the database for at least three years. Any information that identifies a patient shall be destroyed after it has been retained for three years unless a law enforcement agency or a government entity responsible for the licensure, regulation, or discipline of licensed health professionals authorized to prescribe drugs has submitted a written request to the board for retention of the information in accordance with rules adopted by the board under section 4729.84 of the Revised Code.
