

## Ohio Revised Code

### Section 4730.43 Samples provided by physician assistant.

Effective: May 17, 2006

Legislation: Senate Bill 154 - 126th General Assembly

---

(A) A physician assistant who holds a certificate to prescribe issued under this chapter and has been granted physician-delegated prescriptive authority by a supervising physician may personally furnish to a patient samples of drugs and therapeutic devices that are included in the physician assistant's physician-delegated prescriptive authority, subject to all of the following:

(1) The amount of the sample furnished shall not exceed a seventy-twohour supply, except when the minimum available quantity of the sample is packaged in an amount that is greater than a seventy-twohour supply, in which case the physician assistant may furnish the sample in the package amount.

(2) No charge may be imposed for the sample or for furnishing it.

(3) Samples of controlled substances may not be personally furnished.

(B) A physician assistant who holds a certificate to prescribe issued under this chapter and has been granted physician-delegated prescriptive authority by a supervising physician may personally furnish to a patient a complete or partial supply of the drugs and therapeutic devices that are included in the physician assistant's physician-delegated prescriptive authority, subject to all of the following:

(1) The physician assistant shall personally furnish only antibiotics, antifungals, scabicides, contraceptives, prenatal vitamins, antihypertensives, drugs and devices used in the treatment of diabetes, drugs and devices used in the treatment of asthma, and drugs used in the treatment of dyslipidemia.

(2) The physician assistant shall not furnish the drugs and devices in locations other than a health department operated by the board of health of a city or general health district or the authority having the duties of a board of health under section 3709.05 of the Revised Code, a federally funded comprehensive primary care clinic, or a nonprofit health care clinic or program.
