

Ohio Revised Code

Section 4731.11 [Repealed effective 9/29/2017 by H.B. 49 of the 132nd General Assembly] Evidence of medical education.

Effective: April 30, 1992

Legislation: House Bill 454 - 119th General Assembly

At the time of his application for examination as provided in section 4731.08 of the Revised Code, the applicant shall present evidence satisfactory to the state medical board that he meets the educational requirements established under sections 4731.09 and 4731.091 of the Revised Code, with his affidavit that he is the person named in the evidence and is the lawful possessor thereof, stating his age, residence, the schools at which he obtained his medical education, the time spent in each, the time spent in the study of medicine or osteopathic medicine, and such other facts as the state medical board requires. If the applicant has practiced medicine and surgery or osteopathic medicine and surgery in another state or country, the affidavit shall state the period during which and the place where he has practiced.
