(5) The applicant shall provide in the application the applicant's full name; the applicant's residence address, business address, and electronic mail address; the number of the applicant's certificate to practice; and any other information required by the board.

(6)(a) Except as provided in division (A)(6)(b) of this section, in the case of an applicant who prescribes or personally furnishes opioid analgesics or benzodiazepines, as defined in section 3719.01 of the Revised Code, the applicant shall certify to the board whether the applicant has been granted access to the drug database established and maintained by the state board of pharmacy pursuant to section 4729.75 of the Revised Code.

The penalty for restoration shall be two hundred dollars. The board shall deposit the penalties in accordance with section 4731.24 of the Revised Code.

(D) If an individual certifies completion of the number of hours and type of continuing medical education required to renew or reinstate a certificate to practice, and the board finds through the random samples it conducts under this section or through any other means that the individual did not complete the requisite continuing medical education, the board may impose a civil penalty of not more than five thousand dollars. The board's finding shall be made pursuant to an adjudication under Chapter 119. of the Revised Code and by an affirmative vote of not fewer than six members.

A civil penalty imposed under this division may be in addition to or in lieu of any other action the board may take under section 4731.22 of the Revised Code. The board shall deposit civil penalties in accordance with section 4731.24 of the Revised Code.
