

## Ohio Revised Code

### Section 4731.41 Practicing medicine without license or certificate.

Effective: March 9, 1999

Legislation: House Bill 606 - 122nd General Assembly

---

No person shall practice medicine and surgery, or any of its branches, without the appropriate certificate from the state medical board to engage in the practice. No person shall advertise or claim to the public to be a practitioner of medicine and surgery, or any of its branches, without a certificate from the board. No person shall open or conduct an office or other place for such practice without a certificate from the board. No person shall conduct an office in the name of some person who has a certificate to practice medicine and surgery, or any of its branches. No person shall practice medicine and surgery, or any of its branches, after the person's certificate has been revoked, or, if suspended, during the time of such suspension.

A certificate signed by the secretary of the board to which is affixed the official seal of the board to the effect that it appears from the records of the board that no such certificate to practice medicine and surgery, or any of its branches, in this state has been issued to the person specified therein, or that a certificate to practice, if issued, has been revoked or suspended, shall be received as prima-facie evidence of the record of the board in any court or before any officer of the state.
