

## Ohio Revised Code

### Section 4731.56 Issuing license to practice podiatric medicine.

Effective: September 29, 2017

Legislation: House Bill 49 - 132nd General Assembly

---

(A) The state medical board shall review all applications received under section 4731.52 of the Revised Code. The board shall determine whether an applicant meets the requirements for a license to practice podiatric medicine and surgery. An affirmative vote of not fewer than six members of the board is required to determine that an applicant meets the requirements for a license.

(B) If the board determines that the applicant meets the requirements for a license and that the documentation provided is satisfactory to the board, the board shall issue to the applicant a license to practice podiatric medicine and surgery. Each license shall be signed by the president and secretary of the board and attested by its seal.

(C) A person who holds a license to practice podiatric medicine and surgery issued under this section may use the title "Dr.," "doctor," "D.P.M.," "physician," or "surgeon."

(D) The holder of a license issued under this section shall either provide verification of licensure status from the board's internet web site on request or prominently display a wall certificate in the license holder's office or the place where a major portion of the license holder's practice is conducted.
