

Ohio Revised Code

Section 4759.06 License qualifications.

Effective: February 8, 2018

Legislation: House Bill 145 - 132nd General Assembly

(A) The state medical board shall issue a license to practice dietetics to an applicant who meets all of the following requirements:

(1) Has satisfactorily completed an application for licensure in accordance with rules adopted under division (A) of section 4759.05 of the Revised Code;

(2) Has paid the fee required under division (A) of section 4759.08 of the Revised Code;

(3) Is of good moral character;

(4) Has received a baccalaureate or higher degree from an institution of higher education that is approved by the board or a regional accreditation agency that is recognized by the council on postsecondary accreditation, and has completed a program consistent with the academic standards for dietitians established by the academy of nutrition and dietetics;

(5) Has successfully completed a pre-professional dietetic experience approved by the academy of nutrition and dietetics, or experience approved by the board under division (A)(3) of section 4759.05 of the Revised Code;

(6) Has passed the examination approved by the board under division (A)(1) of section 4759.05 of the Revised Code.

(B) The board shall waive the requirements of divisions (A)(4), (5), and (6) of this section and any rules adopted under division (A)(6) of section 4759.05 of the Revised Code if the applicant presents satisfactory evidence to the board of current registration as a registered dietitian with the commission on dietetic registration.

(C) (1) The board shall issue a license to practice dietetics to an applicant who meets the

requirements of division (A) of this section. A license issued before July 1, 2018, shall expire on June 30, 2018. A license issued on or after July 1, 2018, shall expire on the thirtieth day of June of the next even-numbered year after issuance. A license may be renewed.

(2) The board shall renew an applicant's license if the applicant meets the continuing education requirements adopted under division (A)(5) of section 4759.05 of the Revised Code and has paid the license renewal fee specified in section 4759.08 of the Revised Code. The renewal shall be pursuant to the standard renewal procedure of sections 4745.01 to 4745.03 of the Revised Code.

At least one month before a license expires, the board shall provide a renewal notice. Failure of any person to receive a notice of renewal from the board shall not excuse the person from the requirements contained in this section. Each person holding a license shall give notice to the board of a change in the license holder's residence address, business address, or electronic mail address not later than thirty days after the change occurs.

(D) Any person licensed to practice dietetics by the former Ohio board of dietetics before January 21, 2018, may continue to practice dietetics in this state under that license if the person continues to meet the requirements to renew a license under this chapter and renews the license through the state medical board.

The state medical board may take any of the following actions, as provided in section 4759.07 of the Revised Code, against the holder of a license to practice dietetics issued before January 21, 2018, by the former Ohio board of dietetics:

- (1) Limit, revoke, or suspend the holder's license;
- (2) Refuse to renew or reinstate the holder's license;
- (3) Reprimand the holder or place the holder on probation.

(E)(1) The board may grant a limited permit to a person who has completed the education and pre-professional requirements of divisions (A)(4) and (5) of this section and who presents evidence to the board of having applied to take the examination approved by the board under division (A)(1) of

section 4759.05 of the Revised Code. An application for a limited permit shall be made on forms that the board shall furnish and shall be accompanied by the limited permit fee specified in section 4759.08 of the Revised Code.

(2) If no grounds apply under section 4759.07 of the Revised Code for denying a license to the applicant and the applicant meets the requirements of division (E)(1) of this section, the board shall issue a limited permit to the applicant.

A limited permit expires in accordance with rules adopted under section 4759.05 of the Revised Code. A limited permit may be renewed in accordance with those rules.

(3) The board shall maintain a register of all persons holding limited permits under this chapter.

(4) A person holding a limited permit who has failed the examination shall practice only under the direct supervision of a licensed dietitian.

(5) The board may revoke a limited permit on proof satisfactory to the board that the permit holder has engaged in practice in this state outside the scope of the permit, that the holder has engaged in unethical conduct, or that grounds for action against the holder exist under section 4759.07 of the Revised Code.
