

Ohio Revised Code

Section 4928.644 Adjustments to baselines.

Effective: September 12, 2014

Legislation: Senate Bill 310 - 130th General Assembly

The public utilities commission may reduce either baseline described in section 4928.643 of the Revised Code to adjust for new economic growth in the electric distribution utility's certified territory or in the electric services company's service area in this state.
