

Ohio Revised Code Section 517.11 Care of cemetery.

Effective: July 24, 1986

Legislation: Senate Bill 139 - 116th General Assembly

The board of township trustees shall provide for the protection and preservation of cemeteries under its jurisdiction, and shall prohibit interments therein when new grounds have been procured for township cemeteries or burial grounds. Where such old cemeteries are in or near village plats, and the public health is liable to be injured by further interments therein, the board shall institute suits to recover possession thereof, remove trespassers therefrom, and may recover damages for injuries thereto or any part thereof, or to any fence or hedge enclosing them, or to any tomb or monument therein.

The board may enclose such cemeteries with a substantial fence or hedge, and shall keep any such fence or hedge in good repair. It may re-erect any fallen tombstones, regardless of the cause of the falling, in such cemeteries. The board may levy a tax to meet any costs incurred for these purposes, not to exceed one-half mill in any one year, upon all the taxable property of the township.
