

## Ohio Revised Code Section 519.12 Zoning amendments.

Effective: March 22, 2019

Legislation: House Bill 500 - 132nd General Assembly

---

(A)(1) Amendments to the zoning resolution may be initiated by motion of the township zoning commission, by the passage of a resolution by the board of township trustees, or by the filing of an application by one or more of the owners or lessees of property within the area proposed to be changed or affected by the proposed amendment with the township zoning commission. The board of township trustees may require that the owner or lessee of property filing an application to amend the zoning resolution pay a fee to defray the cost of advertising, mailing, filing with the county recorder, and other expenses. If the board of township trustees requires such a fee, it shall be required generally, for each application. The board of township trustees, upon the passage of such a resolution, shall certify it to the township zoning commission.

(2) Upon the adoption of a motion by the township zoning commission, the certification of a resolution by the board of township trustees to the commission, or the filing of an application by property owners or lessees as described in division (A)(1) of this section with the commission, the commission shall set a date for a public hearing, which date shall not be less than twenty nor more than forty days from the date of the certification of such a resolution, the date of adoption of such a motion, or the date of the filing of such an application. Notice of the hearing shall be given by the commission by one publication in one or more newspapers of general circulation in the township at least ten days before the date of the hearing.

(B) If the proposed amendment intends to rezone or redistrict ten or fewer parcels of land, as listed on the county auditor's current tax list, written notice of the hearing shall be mailed by the township zoning commission, by first class mail, at least ten days before the date of the public hearing to all owners of property within and contiguous to and directly across the street from the area proposed to be rezoned or redistricted to the addresses of those owners appearing on the county auditor's current tax list. The failure of delivery of that notice shall not invalidate any such amendment.

(C) If the proposed amendment intends to rezone or redistrict ten or fewer parcels of land as listed on the county auditor's current tax list, the published and mailed notices shall set forth the time, date,

and place of the public hearing and include all of the following:

- (1) The name of the township zoning commission that will be conducting the hearing;
- (2) A statement indicating that the motion, resolution, or application is an amendment to the zoning resolution;
- (3) A list of the addresses of all properties to be rezoned or redistricted by the proposed amendment and of the names of owners of those properties, as they appear on the county auditor's current tax list;
- (4) The present zoning classification of property named in the proposed amendment and the proposed zoning classification of that property;
- (5) The time and place where the motion, resolution, or application proposing to amend the zoning resolution will be available for examination for a period of at least ten days prior to the hearing;

- (7) A statement that, after the conclusion of the hearing, the matter will be submitted to the board of township trustees for its action;
- (8) Any other information requested by the commission.

(D) If the proposed amendment alters the text of the zoning resolution, or rezones or redistricts more than ten parcels of land as listed on the county auditor's current tax list, the published notice shall set forth the time, date, and place of the public hearing and include all of the following:

- (1) The name of the township zoning commission that will be conducting the hearing on the proposed amendment;

(4) The name of the person responsible for giving notice of the hearing by publication;

(5) A statement that, after the conclusion of the hearing, the matter will be submitted to the board of township trustees for its action;

(6) Any other information requested by the commission.

(E)(1)(a) Except as provided in division (E)(1)(b) of this section, within five days after the adoption of the motion described in division (A) of this section, the certification of the resolution described in division (A) of this section, or the filing of the application described in division (A) of this section, the township zoning commission shall transmit a copy of it together with text and map pertaining to it to the county or regional planning commission, if there is such a commission, for approval, disapproval, or suggestions.

The county or regional planning commission shall recommend the approval or denial of the proposed amendment or the approval of some modification of it and shall submit its recommendation to the township zoning commission. The recommendation shall be considered at the public hearing held by the township zoning commission on the proposed amendment.

(b) The township zoning commission of a township that has adopted a limited home rule government under Chapter 504. of the Revised Code is not subject to division (E)(1)(a) of this section but may choose to comply with division (E)(1)(a) of this section.

(3) The board of township trustees, upon receipt of that recommendation, shall set a time for a public hearing on the proposed amendment, which date shall not be more than thirty days from the date of the receipt of that recommendation. Notice of the hearing shall be given by the board by one publication in one or more newspapers of general circulation in the township, at least ten days before the date of the hearing.

(F) If the proposed amendment intends to rezone or redistrict ten or fewer parcels of land as listed on the county auditor's current tax list, the published notice shall set forth the time, date, and place of the public hearing and include all of the following:

(7) Any other information requested by the board.

(G) If the proposed amendment alters the text of the zoning resolution, or rezones or redistricts more than ten parcels of land as listed on the county auditor's current tax list, the published notice shall set

forth the time, date, and place of the public hearing and include all of the following:

- (1) The name of the board of township trustees that will be conducting the hearing on the proposed amendment;
  - (2) A statement indicating that the motion, application, or resolution is an amendment to the zoning resolution;

If the board denies or modifies the commission's recommendations, a majority vote of the board shall be required.

The proposed amendment, if adopted by the board, shall become effective in thirty days after the date of its adoption, unless, within thirty days after the adoption, there is presented to the board of township trustees a petition, signed by a number of registered electors residing in the unincorporated area of the township or part of that unincorporated area included in the zoning plan equal to not less than eight per cent of the total vote cast for all candidates for governor in that area at the most recent general election at which a governor was elected, requesting the board of township trustees to submit the amendment to the electors of that area for approval or rejection at a special election to be held on the day of the next primary or general election that occurs at least ninety days after the petition is filed. Each part of this petition shall contain the number and the full and correct title, if any, of the zoning amendment resolution, motion, or application, furnishing the name by which the amendment is known and a brief summary of its contents. In addition to meeting the requirements of this section, each petition shall be governed by the rules specified in section 3501.38 of the Revised Code.

The petition shall be filed with the board of township trustees and shall be accompanied by an appropriate map of the area affected by the zoning proposal. Within two weeks after receiving a petition filed under this section, the board of township trustees shall certify the petition to the board of elections. A petition filed under this section shall be certified to the board of elections not less than ninety days prior to the election at which the question is to be voted upon.

The board of elections shall determine the sufficiency and validity of each petition certified to it by a board of township trustees under this section. If the board of elections determines that a petition is sufficient and valid, the question shall be voted upon at a special election to be held on the day of the next primary or general election that occurs at least ninety days after the date the petition is filed with the board of township trustees, regardless of whether any election will be held to nominate or elect candidates on that day.

No amendment for which such a referendum vote has been requested shall be put into effect unless a majority of the vote cast on the issue is in favor of the amendment. Upon certification by the board of elections that the amendment has been approved by the voters, it shall take immediate effect.

Within five working days after an amendment's effective date, the board of township trustees shall file the text and maps of the amendment in the office of the county recorder and with the county or regional planning commission, if one exists.

The failure to file any amendment, or any text and maps, or duplicates of any of these documents, with the office of the county recorder or the county or regional planning commission as required by this section does not invalidate the amendment and is not grounds for an appeal of any decision of the board of zoning appeals.
