

Ohio Revised Code

Section 5101.221 County family services agency corrective action plan.

Effective: January 1, 2025

Legislation: House Bill 33

(A) Except as provided by division (C) of this section, if the department of job and family services or the department of children and youth determines that a county family services agency has failed to comply with a performance or other administrative standard established under section 5101.22 of the Revised Code or by federal law for the administration or outcome of a family services duty, the department shall require the agency to develop, submit to the department for approval, and comply with a corrective action plan.

(B) If a county family services agency fails to develop, submit to the department, or comply with a corrective action plan under division (A) of this section, or the department disapproves the agency's corrective action plan, the department may require the agency to develop, submit to the department for approval, and comply with a corrective action plan that requires the agency to commit existing resources to the plan.

(C) The department may not require a county family services agency to take action under this section for failure to comply with a performance or other administrative standard established for an incentive awarded by the department. Instead, the department may require a county family services agency that fails to comply with that kind of performance or other administrative standard to take action in accordance with rules adopted by the department governing the standard.

(D) At the request of a county family services agency, the department shall assist the agency with the development of a corrective action plan under this section and provide the agency technical assistance in the implementation of the plan.
